CHECK-IN

To make check-in easier, please follow the steps below when you come to the event

Check-in is OPEN from 14:00 to 20:00

STEP 1

1. When you arrive, head to the Kanderlodge Office to meet our TAC Team first.
 - a. Please only have 1-2 Leaders come into the office, other troop members should wait outside, or browse the TAC shop in the KL Main Hall.
 - b. Please be prepared with your Troop Medicals, organized alphabetically, preferably in a binder.
2. We will check-in your troop! You'll be given the details for:
 - a. Room Names
 - b. Dining Time
 - c. Please provide us with any details of last-minute no-shows or illnesses. You can also use this time to submit your Troop's skit and songs for campfire

STEP 2

1. Once you have checked in with TAC, bring your troop + Card to the KISC Reception in the Old Chalet building across the bridge.
2. They will issue your room keys and give you an induction to the room and house rules.
 - a. Please pay attention to these. If rooms are left in a poor state, you may be billed a cleaning fee at the end of the event.
3. If you have vehicles, KISC will issue a parking permit for each vehicle. Please fill these in and display
4. If you need anything, do not hesitate to go down to the KISC Reception.
5. Please note:
 - a. All room allocations are done in advance to be compliant with Youth Protection Policies.
 - b. Due to the popular demand of Klondike, some rooms will be split between 2 units to allow the most Scouts to participate

Early Check-in: There is no early check-in. If your unit is early, you'll be able to drop your packs in the KL Main Hall. Notify us if you are arriving early (Barbarossachair@gmail.com, WhatsApp: +49(0)17620466982)

Late Check-in: If you are arriving later than 20:00pm, please contact us so we can coordinate your arrival. (contact details above ^^)

Parking: We kindly ask that participants use the main parking area on the main campgrounds. There is not sufficient parking on the Rovergelände (Kanderlodge area) or Chalet side of the river for everybody. These do need to be kept clear for larger vehicles such as snowplows and delivery trucks.

CHECK-OUT

We have 2 distinct check-out time with KISC:

Sunday Check-out is between 8:00 and 10:00.

Monday Check-out is between 8:00 and 10:00.

Saturday only: if you are attending Saturday only and departing that evening, please contact us before the event. (Barbarossachair@gmail.com, WhatsApp: +49(0)17620466982)

Early Check-out: If you need an early check-out from the Klondike Derby on either Sunday or Monday, contact us before the event (contact details above^^). We'll arrange with KISC an early check-out.

1. Empty rooms and clean the spaces.
 - a. If you are sharing a room with another unit, please clean your side of the space. Do not leave a mess for the other troop to clean. A Scout is courteous
2. Have KISC inspect your room and Stamp your Check-out Card
 - a. Please return room keys, etc.
 - b. A Check-out card will be available at the final Leader's Briefing or from the TAC office in the Kanderlodge.
3. Once you're all set with KISC, come by the TAC office.
 - a. We'll check your card, and return your Medical Forms
 - b. You'll get a check-out packet with your event patches.

If you are leaving later in the day, as with Check-in you'll be able to leave your gear in the Kanderlodge. **This is only available on Sunday!**

IMPORTANT REMINDERS

- **Hypothermia:** Scouts are at risk of hypothermia. We highly recommend packing proper winter clothes, with extra layers and doubles incase scouts need to change.
- **Dehydration:** Scouts will get dehydrated a lot faster than leaders expect. The mountains are very dry, and your body uses lots of water to stay warm. Make sure to have adequate supplies.
- **Sunburn:** We are quite far above sea life in the Alps, and on a clear day you can get sunburned easily. Bring good and reliable sun protection!
- **Mess Kits:** KISC has a small supply of outdoor eating equipment but not enough for all our Scouts. Please bring your mess kits for our Saturday Meal. A washing up station will be made available to clean your kits. Paper cups will not be available, so please bring a cup.

TROOP/PATROL GEAR

Our Saturday program will have Troops and Patrols competing in a series of challenges that will test your Scouts' skills and teamwork prowess. Your Troop will need to bring each Patrol a few supplies to help you succeed in the Challenges:

- Sledge
- Simple Totin' Chip Tools (*hatchet, small saw*)
- Rope (*A few lengths for the Lashing Challenge*)
- Patrol First-Aid Kit
- Methods to Help Start Fires
- Mapping Tools (*compass*)
- Water Vessel (*to carry spare water*)
- Tarp (*to make dry temporary seating in the snow*)
- Shovel (*to help dig out the sledge if needed*)
- Bag or Box (*to store Gold Nuggets*)
- Patrol Flag and Cheer!

These items are normally carried via sledge over the day, but the list is small enough that your Scouts could split the load between them.
