1. General Information & Planning

1.1 Registration & Payment

Registration and payment can be completed at:

<https://scoutingevent.com/802-BarbarossaSpringCamporee2025>

All scouts in the Transatlantic Council are welcome to attend and participate to include Scouts BSA, Venturers, and Sea Scouts.

Parent Portal- Parent Portal is an **optional** feature that allows you, the registration contact, to provide your parents with access to just their Scout's part of the registration, to make payments, and complete data entry. What this feature does is instead of one person having to pay for every attendee all at once at the initial online registration, it allows you to enter the number of Scouts and leaders you expect to have participate, pay for just one of them, and then be able to send a link & login credentials out to the parents to have them pay for their Scouts themselves. You can, as always, pay for everyone at one time.

1.2 Adults & Older Scouts

Both adults and older scouts are needed to help run the Scout Wars Camporee to include checking in, checking out, program activity stations, campfire, and administrative duties. Scouts aged 16 or older and at least Life Rank are welcome to assist. There are opportunities for older scouts to serve as camp staff and still participate in program activities with their units. If you are interested in assisting, please email barbarossascoutseventchair@gmail.com. If you are a scout, please ensure your unit leader is included in the email.

1.3 Getting to the Site & Parking

The Scout Wars Campout will be held on the lower Sembach field area. The address for the Sembach Kaserne main gate is 67681 Wartenberg-Rohrbach. Signs will direct you to

the location once you enter the gate. Vehicles will be able to unload gear in the camping area but will then be required to return to the upper parking lot.

1.4 Installation Access

Installation access is required for Sembach Kaserne. All individuals needing installation access will be added to an access roster. Please indicate during registration that you need to be added to the roster. You must bring your passport as a form of ID upon arrival; no other forms of ID will be accepted at the gate.

1.5 Arrival Procedures & Campsites

Units should plan to arrive between 17:00 and 22:00 on Friday, 2 May. All campsites will be assigned prior to arrival. Site assignment will be based on the number of individuals associated with the unit registration. Female troops and male troops will camp

separately. Early setup may not be possible due to staff availability. Sites will be issued upon check-in. Units should proceed to the check-in table upon arrival to complete the check-in procedure and be escorted to the unit's campsite.

1.6 Trash & Recycling

Units should plan to pack out all trash and recycling as dumpsters and/or recycling bins may not be available.

1.7 Checking Out

Units should anticipate an 11:00 departure on Sunday, 4 May, after the morning activities and cleanup are complete.

2. Camporee Organization & Safety

2.1 Emergency Contact

It is recommended that all units have access to a mobile phone in case of emergency. This number and the POC should be made available to camporee staff in the event staff need to reach the unit. The Camporee emergency POC is Leah Gililand; 01759972479.

2.2 First Aid

A First Aid station will be set up and prominently marked. At least one camp medic will be onsite at all times. If assistance is needed, please contact one of the camporee staff. If an injury occurs and IF the injury permits, bring the injured individual to the First Aid station for medical attention.

2.3 Medical Forms

In case of severe injury or illness requiring emergency medical services or hospital treatment, a health history record and permission of a parent/guardian are required. The Medical Forms must be accessible to unit leaders at all times. Parts A and B are required for all youth and adults attending the camporee. Please maintain all health forms in a binder and bring to camp in case of emergencies.

2.4 Fire & Ambulance

In the unlikely event that fire and/or ambulance services are needed, immediately send a runner to the Staff tent so an emergency call can be placed, and the camporee director can be notified. If the call is placed from your current location, a runner must still be sent so the camporee director can be notified, and emergency services can be properly directed upon arrival.

3. Camporee Planning & Programming

3.1 Patrols

Units will rotate together through the event stations; however, larger units may be broken down into smaller patrols. Small units and individual participants will be placed together in a patrol. Camporee staff will work with units if there are any questions.

3.2 Event Stations

Event stations will scout skill and stem based. For example scouts will have the opportunity to build a mini lightsaber.

3.6 Campfire

There will be a campfire Saturday evening. Units are encouraged to prepare a skit and/or song. Skit and/or song information should be provided to staff by lunch on Saturday.

3.7 Fireside Chat

A fireside chat on Saturday after large Campfire for leaders and staff to chat about upcoming district events as well as give input for upcoming camporee.

4. Camporee Awards & Competitions

There will be awards for some stations based on skill/time. Scout Spirit and Honour Patrol will also be awarded.
