

HOW TO BOOK KISC ACTIVITIES

Activities, rentals, and purchases must be booked directly with KISC!

Please use the following KISC link to book activities:

1. Go to <https://go.kisc.ch/klondike26>
2. Create a booking with all the information of the main leader. Make sure the arrival and departure dates are correct.
3. In the section "Group Information" add all the rest of the names of the people being part of the group.
4. Once inside your booking portal, you can draft and submit your activities. To know more about what exciting activities KISC offers check their website: [Programme & Adventure | Kandersteg International Scout Centre](#)
5. Select which activities you would like to do and choose who wants to take part on that activity.
6. Lastly, select on which days you are available to do those activities (make sure it doesn't clash with another Klondike Derby activity you would like to take part in).

That's it! Easy! your requests are automatically saved. You have time until the **1st of December**. After this, KISC will process all the requests and confirm which activities your group will take part in and when.

Winter Equipment Rental

To rent equipment, you have to do it through your booking portal as well. Head over the section "My Winter Equipment" and choose your intended equipment and for how long.

If the system doesn't allow you to process the rentals, make sure you have input the information of every participant in your group and have assigned the rentals to those people.

You can find more information on KISC's website: [Winter Equipment Hire | Kandersteg International Scout Centre](#)

Upon arrival to KISC, it's very important you do a Programme Check-in at the KISC reception.

A few rules:

- All KISC bookings should be submitted and paid for via this website.
- Only ONE booking per Unit/Group, do not make multiple bookings for a Unit.
- At least one Adult (18 or older) must be included in any booking that includes Youth under 18.
- Any questions or issues with the activities or the online booking should be directed to programme@kisc.ch. DO NOT send booking requests to this email.
