## 1.6 Trash & Recycling

## 2. Event Organization & Safety

### 2.1 Emergency Contact

It is recommended that all units have access to a mobile phone in case of emergency. This number and the POC should be made available to Alaska Days staff in the event staff need to reach the unit. The event emergency POC is Emily Gilbert +49 1522 9975491.

## **2.2 First Aid**

A First Aid station will be set up and prominently marked. Additional individuals with First Aid supplies will be available and wearing identifying apparel. If assistance is needed, please contact one of the Alaska Days staff. If an injury occurs and IF the injury permits, bring the injured individual to the First Aid station for medical attention.

## **2.3 Medical Forms**

In case of severe injury or illness requiring emergency medical services or hospital treatment, a health history record and permission of a parent/guardian are required. The Medical Forms must be accessible to unit leaders at all times. Parts A and B are required for all youth and adults attending Alaska Days. Please maintain all health forms in a binder and bring to the event in case of emergencies.

## **2.4 Fire & Ambulance**

In the unlikely event that fire and/or ambulance services are needed, immediately send a runner to the First Aid station so an emergency call can be placed and the event director can be notified. If the call is placed from your current location, a runner must still be sent so the event director can be notified and emergency services can be properly directed upon arrival.

# **3. Alaska Days Program**

## **3.1 Program Stations**

Program stations will be a combination of scout skills, teambuilding, and fun all within the Alaska Days theme. Units will rotate through stations throughout the day with a 45 minute lunch break.

## **3.2 Lunch**

Scouts/Units are responsible for their own lunch. There will only be 45 minutes for lunch, bringing a sack lunch is recommended as there will not likely be time to prepare a lunch.

## **3.2 Unit Sizes**

Units will rotate as Dens through the program stations; however, larger dens may be broken down into smaller groups. Alaska Days staff will work with units if there are any questions.

## **3.4 Gear List**

In addition to their packed lunch, scouts should bring a mug for hot beverages. Scouts should be prepared to be outdoors for the entire day so all cold-weather essentials are a must. Units should bring a small first aid kit.
