

Lt MacEwan Scouting Biography

12 Dec 2024

First Lieutenant Natalie P. MacEwan serves as an Executive Officer and C4ISR Analyst at the National Air and Space Intelligence Center, Wright-Patterson Air Force Base, Ohio. In this role, she authors technical briefings and intelligence studies that support decision-making by Department of Defense acquisition planners, operational forces, and national policymakers. Her analytical efforts provide key insights into adversary capabilities and vulnerabilities in the Indo-Pacific region, directly influencing United States and Allied partner tactics and strategies.

Before commissioning in the United States Air Force, Lieutenant MacEwan was deeply committed to community service through her involvement in the Boy Scouts of America (BSA). She founded a Venturing Crew in Los Angeles, California, and held several leadership positions, including Council and Area President within the Venturing Officers Association, Western Region Vice President, National Committee Member for Venturing, BSA, and International Scout Representative. She also advocated for women's inclusion in the Boy Scouts of America at both local and national forums, including Report to the State and Report to the Nation events. Lieutenant MacEwan has earned numerous distinctions, including the Summit Award and Venturing Leadership Awards at the Council, Area, Regional, and National levels. Additionally, she has completed and staffed both Wood Badge and National Youth Leadership Training programs.

Inspired by the BSA's values of service and leadership, Lieutenant MacEwan commissioned into the US Air Force as a Distinguished Graduate through the University of Southern California's (USC) Air Force ROTC Detachment 060 in May 2022. She was awarded the Order of the Laurel and Palm (an honor recognizing the top 12 USC graduates) and graduated magna cum laude with a Bachelor of Arts in International Relations, Global Business, and Spanish.

Prior to her current role, Lieutenant MacEwan served as a scholarship and admissions counselor for the United States Air Force Academy and Air Force ROTC programs.
