NYLT: National Youth Leadership Training

Dear Youth Leaders, Unit Leaders, and Parents/Guardians,

NYLT (National Youth Leadership Training) is advanced leadership training for youth troop, crew, and ship leaders. This course is an exciting, action-packed program designed to provide young men and women members of the Boy Scouts of America with leadership skills and experiences they can use in their home units.

Leadership, Fun, Challenge, Adventure- NYLT offers all of those and much more!

Join an exciting experience and work with other Youth leaders who will come from across the World. Participants will be organized into patrols of similar age and the same gender. They will learn the challenges of leadership and develop effective life skills.

Upon successful completion of all course requirements, each participant receives a certificate, NYLT trained patch, and a neckerchief. Parents/Guardians are invited to Graduation Ceremony.

I hope you can join this course and have an amazing experience!

Yours in Scouting,

Rob Keister
