

The Far East Council Leadership Seminar presents **Scouting America's Training Fundamentals** *Learn, Challenge, Lead*

- Do you need to increase the quality of your unit, district & council training?
- Do you need to add "enjoy" to how trainees describe their experience?
- Do you want to add more pizzazz to your training? Make it fun?
- Do you want to take your training up a notch or two or even more?

***Then the Leadership Seminar has just what you need –
Scouting America's Training Fundamentals, Train-the Trainer series!!!***

Fundamentals Part 1: Science of Training is designed to help Scouts & Scouters, regardless of their training experience, learn effective training methods for a variety of purposes. It will help freshen the skills of current Scouting America trainers, as well. The skills & strategies presented have been shown to improve teaching & learning – and will be of value to you, not only in your role in Scouting, but also in advancing your communication skills. The purpose of this course is to teach Scouts & Scouters the skills needed to provide effective training.

📅 Offered Saturday, December 13, 2025

Fundamentals Part 2: Craft of Training is the second part of the "train-the-trainer" continuum. As trainers develop their training skills, this course provides an opportunity for trainers to practice and refine their abilities through experiential learning, paired with feedback from faculty members & peers. The purpose of this course is to provide Scouters & Scouts with the opportunity to practice skills needed to provide effective training.

📅 Offered Sunday, December 14, 2025

Target Audience: These courses are targeted for older youth & adults who provide training in Scouting America at all levels.
