

Klondike Derby 2026 Overview

1. **Klondike Derby Purpose** The Order of the Arrow (OA) organizes and conducts the Klondike Derby in Okinawa. The purpose of the Klondike Derby is to challenge patrols to overcome a series of obstacles using Scout skills, teamwork, and ingenuity—while having fun.

Scout leaders are asked not to assist or coach patrols during events. All event stations are staffed by volunteers, primarily OA members, with additional support as needed.

2. **Volunteers** Each unit is requested to provide one to two OA volunteers to help staff event stations during the Klondike Derby.

Scoring is designed to be simple and objective (e.g., time-based or count-based). However, a few events include elements of subjective scoring. To ensure fairness and consistency, volunteers are asked to remain at their assigned stations throughout the event.

3. **Klondike Derby Events** Detailed descriptions of each event are provided later in this guide. In summary, patrols will rotate through a series of event stations, completing challenges at each one.

4. **Patrol Routes**

- Each patrol will be assigned a starting event station.
- Patrols must report to their starting station at the beginning of the derby.
- Each event station lasts 30 minutes.
- At the end of each event, patrols have 10 minutes to move to the next station.

Patrols will remain at each station for the full 30-minute period. Event staff will begin events on time and release patrols promptly for movement to the next station. Patrols are responsible for arriving at their next station within the 10-minute transition window and preparing for the next challenge.

5. **Meals** Units are responsible for providing their own meals. We recommend either:
 - A quick lunch that can be prepared, eaten, and cleaned up within one hour, or
 - A pre-prepared lunch.

Please ensure patrols arrive at their afternoon events on time.

In addition we will have a cooking competition for Saturday Dinner.

6. **Cooking Competition** Units should prepare for a Cooking Competition on Saturday evening. Each unit must provide three portions (one for each judge). Entries will be evaluated based on:
 - Taste
 - Nutrition
 - Originality
7. **Scouting America Requirements**
 - Youth participants must be registered Scouts or Venturers unless specifically approved by the council.
 - Each unit must have appropriate adult leadership, including a minimum of two registered adults with current Youth Protection or Safeguarding Youth Training (SYT).
8. **Rules**
 - Patrol size: 5–10 Scouts (recommended size: 6–8)
 - Each Scout must carry appropriate rain gear and water
 - OA youth and adult staff serve as event staff and judges
 - Adult leaders and OA staff may not participate with patrols
 - The Scout Oath and Scout Law will be observed at all times
