

Arrival Instructions for July 31, 2022.

You will be staying at: Lanna Human Resource Development Centre, San Kam Pang, Chiang Mai 50130. Phone number is 0-5396-5197.

Upon exiting the baggage claim at Chiang Mai International Airport you will need to make your way to Door/Gate #12 at the far south end of the terminal. If you are exiting from the international terminal, you are there. Look to your right and there will be scouts in Class A waiting for you to help you get on your van. If you are coming from the domestic terminal, you will need to turn to your right and walk the length of the terminal building to Door/Gate #12. (200-300 meters) It is a single terminal and easy to navigate. Please come directly to Door 12. If vans are ready you will board. If there is a wait, we will give you a time frame and you can sit in a coffee shop.

DO NOT GO OUTSIDE THE TERMINAL: Please stay inside the terminal, go to Door #12, and wait for instructions before going outside to the vans.

Money Exchange: Suggest you change any money to Thai baht while in the airport. There are many banks ready to change your money. Once at the Campsite there will be little opportunity to change funds. If you rely mostly on bank cards (credit/debit) it is easier as there are ATM machines all over the countryside. However you should not have much need for personal cash at the campsite.

If you arrive before the 31st and need a ride to the campsite, please be at Door #12 of the terminal between 14.00 and 15.00 hours.
