Theme, Expectations, Attendees

2020 Camp Theme “Superheroes, Superscouts!”
Superheroes are known for facing danger, even when they are afraid! A scout, like a superhero, has the courage to stand for what they think is right even if others are unkind. Come to camp to sharpen your skills and help us defeat the camp villains!

What Should I Expect at the Cub Family Adventure?
1. To have fun in the outdoors.
2. To explore Cub Scout Adventures and learn new things.
3. To give these Scouts & their families the opportunity to see what it is like to attend a Resident Summer camp, with trained Camp Staff providing the program, lessening their fears as they transition to Scouts.

Who can attend the Cub Family Adventure?
The Cub Family Adventure is an inclusive camp for the family. While our focus is the Cub Scout and their parent(s), our program is designed and welcoming for grandparents, cousins and siblings, 5 years and older. Please understand that programming is not designed for siblings under 5 years old. It is suggested that other plans are made for their care while parent(s) are at camp.

How does my family attend camp?
There are three ways to attend:
1. Parent-child partnership—where a parent accompanies the Scout to camp.
2. Family camping—where Scouts attend with parent & sibling(s).
3. Den camping—The recommended ratio of boys to parents/guardians/leaders is 1:1. The council will allow 3 youth to 1 adult. Lion and Tiger Cubs must be 1 Cub to 1 adult in all activities.

Campers are encouraged to hunt and remove them from the creek and bring them to the collection point. Each session we will track the Den that collects the most (by weight) and the individuals who catch the largest (by length). The den and those individuals will be recognized during Day 03 night’s campfire program.

After campfire of Day 03, we will have a Cajun Crawdad Cookout where Campers will have the opportunity to try the crawdads they caught.

TRADING POST

Is there a Trading Post?
The R-C Scout Ranch has a full-service Trading Post filled with clothing, souvenirs, camp essentials, snacks, drinks, and treats. Scouts love the Trading Post, so it is encouraged they bring with them some spending money. We often get asked how much to bring. Across our Council Camps, Campers average about $40 at the Trading Post.

PARENT, GUARDIAN AND/OR LEADER ROLE

What is my role as a parent, guardian, and/or leader?
Your role as a parent, guardian, or leader during camp is to be a guide and mentor to the youth. Your job, at times, is to step back and let the youth try out their wings in a safe, secure environment. Please let them do as much as they are able and try not to do anything for them that they can do on their own, even if it is hard. Encourage them to work together as a team, to develop leadership skills and build confidence, emphasizing their Den as a team.

You will accompany the youth and are expected to pitch in and assist where needed so all youth can complete the activity during the time allotted. Staff will direct where they need you to help out. Simply remember, you are there to help the youth, not take over.

Accompanying the youth during free time is required except where indicated. It is your responsibility to make sure they follow the buddy system at all times.
JUNIOR COUNSELOR PROGRAM
For our Scouts and youth, 12yo+ or 11yo and crossed over into Scouts, we offer our Junior Counselor program. Our Junior Counselor program allows older Scouts and youth to learn lifelong lessons about responsibility, management, and personal growth in a fun, constructive environment, alongside new and old friends. Junior Counselors must be accompanied by an adult who will also have the opportunity to work alongside staff creating memories for scouts.

Registration for Junior Counselors is $100, and includes Junior Counselor SWAG, training, leadership opportunities, and opportunities to enjoy free time and evening activities. Registration for the accompanying adult is $75. If you are interested in this amazing opportunity, please apply through the link on the website, www.rcscoutranch.org, or by emailing the directors at, rcscoutcamp@gmail.com.

HEALTH & SAFETY
Youth Protection, Health Lodge, Medical, Animals

What About Health and Safety?
The safety of all camp participants is our highest concern and priority. While every effort is made to insure the health and well-being of all participants, guardians are ultimately responsible for the youth in their care. In the event of any emergency, the Camp Director should be contacted immediately.

Youth Protection
All parents, leaders, and adults must understand and follow the Guide to Safe Scouting and Youth Protection guidelines of the Boy Scouts of America. For complete Youth Protection guidelines, visit Scouting Safely.

Health Lodge and Medical Issues
Trained medical Staff will be onsite at all times. All first responder issues as well as basic first aid should be directed to the Camp Health Lodge Staff. Any prescribed medications regularly taken by participants MUST be brought to camp as only basic pain relievers & antibiotic ointments will be available. Most importantly, if you or any of your family attending camp become sick when it is time to come to camp—please stay home & make sure that they get well. Refunds, in that case, will be handled on a case-by-case basis.

Medical Forms
All participants, regardless of age, are required to submit the Official BSA Medical Form, parts A & B at check-in. These forms will be returned during check-out.
HEALTH & SAFETY CONT.
Youth Protection, Health Lodge, Medical, Animals

Pets, Animals and Wildlife
Service Animals are permitted in camp; but NO pets are allowed.
At all times, recognize that the R-C Scout Ranch sits inside thousands of acres of National Forest, full of wild animals. These wild animals range from squirrels, skunks and raccoons, all the way up to large mammals such as bears, elk, and mountain lions. Respect the wildlife around us and DO NOT approach, feed, touch, or disturb them in any way. If you have an encounter with any wild animal that appears dangerous, please report the incident to the Camp Director immediately.

CODE OF CONDUCT
What Should We Know About Behavior and Code of Conduct?
All camp participants should follow and live the Scout Oath, Law, and the Outdoor Code. Please do not allow Scouts or adults to violate said guidelines. Remember to “leave it cleaner than you found it”, that “crossing” or “cutting” through campsite or program areas is not allowed, and that we should “lead by example” at all times.
Additionally, each adult should read and agree to follow the BSA Scouter Code of Conduct.

Smoking and Vaping
Smoking is only allowed in your car with the windows rolled up. Additionally, please DO NOT smoke in front of youth participants or Staff.
