

The GCC Venturing Officers Association is hosting the 2021 Urban Adventure!

The Urban Adventure is a photo scavenger hunt that is social media-fueled racing around downtown Phoenix! Scouts and Venturers will use their map reading skills, knowledge of public transportation, smart phones, and smarts to help them get to different way points around Phoenix on the light rail. Participants will collect clues, take pictures post to Twitter, and troubleshoot along the way!

Any and all Scout Troops, Venture Crews, Sea Scout Ships, and Explorer Posts are invited to take part, and feel welcome to bring friends! Teams are organized by unit, but may be divided among patrols or other groupings if you would like. If you are a Scout attending without your unit, no worry, we will arrange to have you be a part of one of the other teams organized. If any non-Scout friends attend, and they fill out a youth application, bonus points will be given to your team for the adventure. There is a minimum of two adults per group.

The cost is \$7 per participant, which includes a pizza and refreshments for lunch. A Bus & Light Rail pass is required for the event, that costs \$4 at www.valleymetro.org/fares.
