

CONSENT FORM FOR USE OF PHOTO/VIDEO MATERIALS

During Make the Future California 2019 featuring Shell Eco-marathon Americas, photographs and video will be made by and/or on behalf of Shell Oil Company ("Shell"). You and/or your child(ren) may be visible in these photographs and videos. We request your permission in order to be able to use such photos and videos.

In respect of photographs and videos, including audio, in which my child(ren) and/or I am/are visible or audible:

- I hereby provide my consent for Shell and its affiliates and subsidiaries and their legal representatives and assigns:
- to use these materials for internal and external communication, educational and publicity purposes of Shell generally and these events in particular;
- to edit, copy, use, publish and share these materials in whole or in part through different media, including amongst other things newspapers, the Shell website and Shell social media feeds on Facebook, Twitter, Instagram and LinkedIn; and
- to share these materials for these purposes with the partners, media companies and service providers involved in hosting and organizing this event.
I understand that I cannot claim or exercise any copyrights in any such materials.

These materials will be processed in accordance with the Shell Privacy Notice (https://www.shell.us/privacy.html). Shell will not store and use unpublished materials for longer than two years. After this time they will be deleted.

I can contact the Chief Privacy Officer of Shell with any queries, requests or complaints I may have regarding the processing of my personal data via e-mail at Privacy-Office-SI@shell.com.
