

## 2019 Sled Equipment List (to be confirmed at January Roundtable)

<i>Health &amp; Safety:</i>
<b>All scouts must wear <u>waterproof boots</u>. Sneakers are not allowed.</b>
1 liter of water per scout (minimum)
Trail Lunch
One cup for each scout
Patrol First Aid Kit
One charged Cell Phone for Emergency Use (need to know the number you can be called on)
<i>First Aid:</i>
six (6) cravat bandages (for slings, etc.)
<i>Tools:</i>
bow saw (exchangeable blade type, i.e., not riveted or fixed blade)
screwdriver (can be on pocket knife) that will remove the fixing bolt on your bow saw
hatchet (already sharpened), in sheath
sharpening (bastard) file for sharpening hatchet
pocket or lock-back knife (not larger than 4" blade)
small sharpening stone to sharpen knife
mallet or hammer
duct tape (partial roll)
two compasses
Small notebook
Pencil
sharpie marking pen
two (2) large plastic garbage bags
Wood/Firebuilding
two (2) 1-foot long pieces of 2x4 (not pressure treated)
wooden stick matches
Optional: naturally occurring fire starting material (Note: fatwood is not allowed unless your patrol harvested it yourselves from a pine stump) (see Patrol/Crew Leaders' Guide)

	char cloth (if you know how to make it)
	Six TOLLS: 6 kiln-dried logs, or 12 15-inch long pieces of <u>non</u> -pressure-treated 2x4's (see Patrol/Crew Leader's Guide)
	<i>Ropes/Lines</i> (1/4, 5/16 or 3/8-inch diameter):
	Two (2) 25-foot-long ropes, with all ends whipped or fused
	Eight (8) 6-foot-long ropes, with all ends whipped or fused
	Natural fiber twine – 25 feet
	<i>Camping Gear:</i>
	one tight weave blanket (suitable for making a stretcher)
	four (4) six-foot-long staves (stout sticks, closet poles or equivalent)
	four (4) three-foot-long poles
	Four (4) tent "spikes" (e.g., large nails) suitable for anchoring in frozen ground
	backpacking tarp preferably with grommets (at least 9 x 12 or minimum 100 square feet, not merely a poncho)
	<i>Scorekeeping:</i>
	one large ziplock plastic bag for passport
	small sack or ziplock for nuggets
