Participation and Hold Harmless Agreement**

Camp La-No-Che (Central Florida Council) will be conducting a program for Personal Watercraft (PWC) during 2017. This program is conducted under the approval of the Boy Scouts of America. Scouts will be taught Boater Safety, and will operate the unit on the Camp La-No-Che property. Scouts will be instructed how to ride and drive the PWC. I have carefully considered the risk involved and have given consent for my child to participate in the activity. I understand that participation in the activity is entirely voluntary and requires participants to abide by the rules and standards of conduct. I release the Boy Scouts of America, the local council, the activity coordinators and all employees, volunteers, related parties or other organizations associated with the activity from any and all claims or liability arising out of this participation.
