University of Scouting Midway

One of the highlights of the University of Scouting is the Scouting Midway. Multiple vendors provide access to Scouting products, information on Scouting events and organizations, and information on exciting locations and activities for Scouts and Scout Units.

Our Midway includes vendors from all over Central Florida and beyond, including the Scout Shop which will be offering a variety of clothes, books, equipment, and special sale items. You can pick up a custom name tag created while you attend the event.

You will have an opportunity to learn about many of the area's locations, attractions, and stores available to add fun program elements to your Pack, Troop, or Crew program. You won't find a more convenient opportunity to build your Scouting experience. Our vendors are coming to meet you so plan some time to visit.

When you do, be sure to visit the Midway during registration in the morning (starting at 7:00 a.m.) and during your lunch period. The vendors in the Midway will begin departing around 2:30 p.m.

New, Improved Breakfast and Lunch Plan

Our goal is to deliver good, hot food, to every participant in a timely manor, so that they may enjoy their lunch and have time to walk through our Scouting Midway. We have worked with our very own Tipisa Lodge to identify a solid plan for a greatly improved OA food experience.

Our lunch plan has the following key improvements:

- Lunch time is split across two periods with Lunch A at 11:30 and Lunch B at 12:30
- Lunch will be served across three separate lunch lines: 1) Burgers, 2) Hotdogs, and 3) Chicken Sandwiches
- We are using higher quality food stock for each meal

We believe that following the above principles will dramatically improve your University of Scouting lunch service!

Breakfast Plan: And don't forget that our breakfast service includes all-you-can eat pancakes, along with a single serving of bacon / sausage, and your choice of juice, milk, or coffee.

Sign up for your preferred lunch when you register and sample our new food service at only \$6 a lunch and \$5 a breakfast.

Free Morning Coffee!

For those who require a little extra go juice in the early morning, rest assured that we will be serving free coffee to help you get your morning jolt.
