1. **“Safety First”** is the most important concern. All participants are asked to be mindful that excessive roughhousing and careless behavior can lead to accidents and even injury. Please have fun, but take care of yourselves and others. Prevent mishaps before they occur. Each leader and participant is asked to be observant for safety issues in the activity area surrounding them, and report or correct any concerns.
2. Participants are reminded, to use the Scout Oath, the Scout Law, and the Outdoor Code to guide behavior at all times.
3. The buddy system will be in place and enforced at all times.
4. **NO Alcoholic beverages** are to be consumed by anyone related to the Webelos Woods at any time during this event. Period. Offenders will be asked to leave.
5. **Smoking** is permitted only in designated areas (e-cigs are included). No cigarette butts are to be left on the ground. There shall be no smoking or vaping in front of the scouts.
6. **First Aid** will be located at HQ, and BSA regulations require **ALL** accidents, injuries, illnesses must be reported there.
7. 3 long blasts on the air horn will always mean seek shelter...under the HQ Pavilion.
8. We are renting this facility, and as scouts, we are required to act in a scout-like manner.
  - a) Please clean up after yourself and do not leave debris on the ground in your camp site.
  - b) All campsites must be clean and well organized at all times.
  - c) Help keep our restrooms clean.
  - d) If you see any trash, pick it up and put it where it belongs, whether it's yours or not.
9. One final note about behavior. We will be under watchful eyes by Adult Leaders. How we behave reflects on Tuscarora District and all of scouting.
10. Parents and leaders follow the same safety rules as the scouts.
11. Most of all, **MOMS** do not work here!
