How to Sign Up for Troop Time Activities

Signing Up for Troop Times this year will be done online through your summer camp registration on Scoutingevent.com. The leader who is the Registrant Contact is the only person who can register the troop for troop time activities.

STEP 1: Discuss and decide with those attending Summer Camp what activities the Troop would like to participate in.

STEP 2: Have the Registrant Contact log into your existing Summer Camp registration.

STEP 3: Click on the 'Summary' tab. The troop time activities will be listed at the bottom starting May 8 at 12:00pm.

STEP 4: Put the number of participants into each space for activities that your troop will be attending. Do this for each day.

If you have any questions, email Pam Falconer at Pam@Camplanoche.com
