

## ***Specialty Week Schedule***

Welcome to Specialty Week! This will be a fast-paced, different kind of Summer Camp experience, and you are one of the ELITE participants this summer. While we had spots open to over 200 Scouts, only 20 of you “made the cut” to participate in this first-of-its-kind adventure at Camp La-No-Che. Be proud! This is going to AWESOME!

Here are a few reminders for you as you prepare:

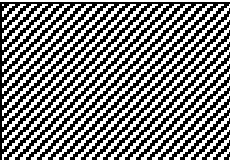

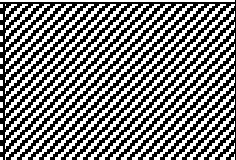

- Check in begins at 2:00 pm on MONDAY, JULY 23. You will stop at the Check In station in the parking lot where you will get your check in info, a copy of the schedule and program info, and any other items needed before arrival in your campsite. You will then be directed to your campsite.
- All camping will be done in our “Adirondack” cabin campsites. You will have a bunkbed with mattress, electrical lights and power outlets, and fans in your assigned screened-in cabin. Adults will camp in similar lodgings in your assigned site’s Activity Shelter or a vacant Adirondack.
- Starting Monday, the time after dinner will be “FREE TIME” with a variety of program areas available for you to explore. A list of what is open/when can be found below.
- I hike to “Big Stump will be offered Wednesday night; if you want to hike to Big Stump, you should plan on bringing clothes you don’t care about...they might have to be thrown away after the hike. That includes shoes. THE HIKE IS VERY MUDDY...BUT AWESOME!
- Each area at camp will have a “LEADER BOARD” where they will record “best” scores on a specific offering each night. You will see how you scored and how you compare to other campers. Prizes will be awarded at the end of the week for top scores. Your Campsite Hosts will provide you more information on how you will participate in these programs. Awards will be given out at FRIDAY BREAKFAST.
- The morning classes each day will be your OFFSITE program; on Tuesday and Thursday you will do pre- and post-work related to your offsite program outing on Wednesday. The afternoon classes will be your ONSITE selection, which you will participate in on Tuesday and Thursday only. Class periods last 3 hours; a detailed breakdown is below.
- Please remember to consult the Leaders Guide for a list of things to bring (and not to bring).
- Some minor changes have been made to the schedule since the publishing of the Leader Guide; an updated schedule outline will be given to you at check in. Activities and times listed below are the most up-to-date.

We look forward to having you at Specialty Week. Please review the following schedules and details and contact me ASAP by e-mail if you have further questions or need to update information. Thanks!!
