Guest Service

Guest Service Representatives are located at the camp office to assist with your visit. If you have any questions, campsite problems or other needs, please look for a Guest Service Representative or a Campmaster for assistance. Also, our Camp Rangers are always available to fix maintenance issues in your campsite or latrine. We are here to make sure you have a great outdoor experience.

Camp Safety

For the safety of our guests here at Camp La-No-Che, we employ the use of two different emergency alert systems. (Lightening Alert Red and Camp Wide Emergencies). This plan has been developed for the use of Scouts, Scout Leaders, and Staff while camping and/or participating in activities at Camp La-No-Che.

Weather Alerts

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware.

Camp La-No-Che is equipped with a lightning detection system called Thor Guard for the Dr. Phillips Park Area. The system senses lightning within a predetermined safety zone then sounds an alert. Campsites, Adventure Camp, Camp Rybolt are not covered by Thor Guard so please use the weather hazard guidelines for lightning while in those areas.

Camp Wide Emergency

If there is a camp wide emergency, a wailing (air raid) siren will sound. If you hear this siren, please immediately proceed to the Seneff Flag Pole outside of the W.T. Bland Dining Hall and await further instructions from the Camp Staff.

Trash

All trash is your responsibility. The Boy Scouts of America lives a Leave No Trace philosophy. We teach all Scouts to respect the outdoors and take care of our precious lands. Please keep in mind, trash (even trash in bags) will attract wildlife. In the evening and when you leave the camp at departure, please take your trash to the dumpsters at the exit of campsites 1-16 (behind Trading Post) and 17-25 (behind the camp offices) Thank you!

Fishing

Fishing is only allowed at the Cheney Waterfront next to Campsite 20. We do not allow fishing at the Phillip Starr Waterfront due to the dangers of hooks where Scouts get in the lake.

Camp Wildlife Safety

- Please respect our wildlife and enjoy watching from a distance.
- If you have problems with wildlife, please report to a Camp Staff Member.

Rules

Rules are for the safety of the scouts, siblings, parents and leaders. Please follow the rules and if you see a problem, please report the incident to the Camp Management at the Camp Office.
