

# 2019 International Cub Resident Camp

Camp La-No-Che will be hosting just one Cub Scout Resident Camp session this summer. But you will NOT want to miss it! What's so special about this summer's program? We are glad you asked!

This summer, Cub Scouts will have the opportunity to meet and interact with Scouts from the International Jamborette that will be going on during the same time. Activities with these international Scouts will include patch trading, learning about scouting in their country & ham radio communications with other scouts in their country.

Of course, Cub Scouts will also enjoy other programs specific to their ranks as well as swimming, fishing (bring your own gear), shooting sports, STEM, games and FUN! Virtually all activities will help scouts to earn Adventures and Electives while having FUN, FUN, FUN!
