## WELCOME TO JUBILEE '19

We are very excited about the lineup and partnerships for the Central Florida Jubilee. Thousands of Scouts and their families will come together at Osceola Heritage Park in Kissimmee, FL December 6-8, 2019. This is a celebration you don't want to miss! Your Scouts will see that they are part of a larger Scouting family as we celebrate what it truly means to be a Scout!

Inside this guide you will find the information you need to plan for your Jubilee experience. We are putting together a fantastic lineup programs and special events that are meant to impress Scouts and Scouters of all ages. Watch robots battle it out in the arena, check out world-class BMX stunt riders, get hands on with over 100 different activities and challenges, and watch an UNPARALLELED fireworks display on Saturday night!

Please review this guide, the important information, and the program outlines, then spread the word about this amazing Scouting event! We, along with Osceola Heritage Park, look forward to hosting you and your family at Central Florida's Jubilee '19.

## PROGRAM PREVIEW...What's new for 2019?!

This is only our second year offering this bi-annual experience for our Scouts. Here is a sneak peak into things that are NEW for this year's event:

**THE NAME:** Yep, we've changed the name. In 2017, we were the "Central Florida Scouting Jamboree;" now, we are simply "Jubilee." A "jubilee" is defined as a "celebration" and that is exactly what this event is...a celebration of Scouting in Central Florida!

**FRIDAY & SATURDAY NIGHT PROGRAMS:** This year, due to attendee feedback, we will be changing things up. On Friday night, as you arrive, look for some special activities in the main program area, such as star gazing, night programs, and "glow" games. Saturday night's feature event will be a full-on robot BATTLE featuring the full-sized robots from BATTLEBEACH! We will also have some live music, other performances, and fireworks Saturday to round out an amazing day of program!

**SATURDAY FEATURES:** In 2019, look forward to more exhibits and shows like these

**BMX TRICKSTARS – Bike Trick Shows All Day | BATTLE BEACH ROBOTS – Full Scale Robot Battles! |** Orlando Health Air Care Team – Helicopter Visit | UCF Chemistry – Energy, Chemistry, and FIRE! | NESA Eagle Scout History Display | HAM Radio Communications Experience | SeaLife Aquarium – Interactive STEM Aquatics Experience | WonderWorks – Bed of Nails & Wacky Wire | MetroPlan Orlando – Build your own (virtual) City! | Orlando Solar Bears Hockey – Hockey Rink Slapshot Challenge! | LEGOLAND Florida Resort | Brevard Zoo | Medieval Times - Meet a KNIGHT! | Firefighter Show | Scoutmaster's Corner - Wood Burning and Wood Crafts | ECPI University | Northwest Lineman Center | The Florida Aquarium | Bug-eyed Entertainment - Human Hamster Wheel | Breakout Escape Rooms - Jubilee-EXCLUSIVE Escape Experience | Radio Scouting – JOTA | OneBlood - Blood Donation opportunity (16+) plus info on donation | Daytona International Speedway | St Cloud Police Department | DeBary Disc Golf | ClassB, Inc | Help A Diabetic Child Foundation | Airheads Adventure Arena | Kellyco Metal Detectors | Fun Spot America Theme Parks | Orlando City Soccer Club |

A decorative banner at the bottom of the page features a light green background with a row of stylized palm trees. Overlaid on the palm trees is the text "JUBILEE '19" in a large, blue, 3D block font with a white outline and a slight shadow effect.

## REGISTRATION INFORMATION

Jubilee '19 will be held December 6-8, 2019 at Osceola Heritage Park, Kissimmee, FL.

Registration is open to EVERYONE: Cub Scouts, Webelos, Scouts, Scouters, Venturers, and Explorers, along with their families. All units and families should register online at [scoutingevent.com/083-Jubilee](https://scoutingevent.com/083-Jubilee)

All participants must register, including parents, family members, and leaders. The registration fee provides participants with access to Friday night entertainment, event areas on Saturday, Saturday night entertainment, and the Saturday night fireworks show.

Registrations received by October 15th, will receive a commemorative patch. Participants registered after October 15th can purchase a patch at the on-site trading post during the event, while supplies last.

Those who register for the Jubilee by November 15<sup>th</sup> will receive a registration / check-in packet by mail. In the packet, you will find your wristbands, patches and any vehicle parking permits you've requested. There will also be a map of the park, event guide, and general event check-in information. Those registering AFTER November 15<sup>th</sup> will need to pick up their packet at the Council Office or at an on-site "will call" station when they arrive at the event. Register early to ensure that you receive the most up-to-date program announcements.

All units are asked to carefully consider their transportation arrangements to and from the Jubilee. Carpooling is highly recommended, especially within Units (Packs, Troops, Crews, etc.). Fewer vehicles results in less traffic, increased Scout safety, and less impact on the property.

# HOW TO REGISTER

Registration is easy and takes only a few basic steps:

- 1) Visit <https://scoutingevent.com/083-Jubilee> and click on the “Register” button. You may sign up as a Unit (Pack, Troop, Crew, etc.) or you may sign up as an individual/family. You can choose “Day Visitor” or “Camping;” the price is the same as camping is FREE with a paid admission to the event. All youth registrants MUST have an adult registered with them; Unit registrations must ensure proper youth/adult ratios and maintain Youth Protection Standards of two-deep leadership.

The screenshot shows a form titled 'Preview Registrant Data Collection'. It includes fields for First Name, Last Name, Email Address, and Event Meal Plan. There are also sections for 'If you earned your Jubilee fee as part of the camp card sale, enter the voucher number below: Congratulations!', 'Cards Jambo', 'Allergies', 'Medical Concerns', 'Dietary Restrictions', and 'Do you need electric access FOR A MEDICAL NEED?'. The form is designed to collect personal and dietary information for registrants.

- 2) Enter the names of those registering and complete all required information. You will find some optional questions, such as dietary needs or add-on items for purchase. Please complete all fields that apply to your registration.

- 3) Enter any vouchers for Scouts earning free camping through a Council Fundraiser (Camp Cards, etc.) If your Scouts qualified, they will have received a voucher code to enter into the system, giving them a discount.

- 4) Complete payment using an electronic form of payment. Registrations may be paid for by eCheck (at no additional charge) or Credit/Debit Card (for a 3% convenience fee.) No cash payments are accepted.

The screenshot shows a table titled 'Payment by Participant Type'. The table has columns for Participants, Event Fee, \*Early Discount, Misc Fee, Total Cost, Total Paid, and Balance Due. It lists two rows: '1 Boy Scout Youth' and '1 Adult', both with an Event Fee of \$35.00, an Early Discount of \$-5.00, and a Misc Fee of \$25.00, resulting in a Total Cost of \$55.00 and a Balance Due of \$55.00. A note at the bottom states: '\*Participants with an early discount must be paid in full prior to the Early Discount date to receive the discount'.

Participants	Event Fee	*Early Discount	Misc Fee	Total Cost	Total Paid	Balance Due
1 Boy Scout Youth	\$35.00	\$-5.00	\$25.00	\$55.00		\$55.00
1 Adult	\$35.00	\$-5.00	\$25.00	\$55.00		\$55.00

\*Participants with an early discount must be paid in full prior to the Early Discount date to receive the discount

The screenshot shows a form titled 'Bank Routing Information'. It includes fields for Account Type, Routing Number, and Account Number. A note at the top states: 'Your bank account will be charged in the amount of \$115.00'. The form is designed to collect banking information for electronic payment.

- 5) Registrations made before November 27<sup>th</sup> will receive an “early” discount fee of \$30 per person. Registrations made after November 27<sup>th</sup> will cost \$35; walk-in registrations are \$40.

## **DATES TO REMEMBER**

### **10/15/2019 – Free Patch Deadline**

Registration deadline to receive your free “Jubilee ‘19” commemorative patch (limited supply of patches will be for sale at the Jubilee Trading Post).

### **10/28/2019 – Early Bird Event Cost: \$30**

Early registration ends.

Registrations received by 11/15/17 will have a packet of materials mailed to the registration primary contact person.

### **After 10/28/2019 – Event Cost: \$35**

Registration packets for registrations made BETWEEN 11/16 and 12/1 will be available for pick-up at the Wayne Densch Council Service Center during regular business hours thru 5pm Thursday, December 5, 2019.

Registrations made AFTER 12/1 will be available for pick up at the event. Watch Facebook for some fun additional registration incentives between now and Nov 15.

### **12/4/2019 at 11:59pm**

Jubilee online per-registration closes.

Attendees may still use the online registration system to sign up for the event. However, late registrants will need to visit the “walk in” registration / “will call” area to finalize your event registration, pay any outstanding fees, and pick up all materials.

### **12/6/2019 – Cost \$40**

On-site registration / check-in / “will call” opens at 4:00 PM at Osceola Heritage Park in Kissimmee, Florida.

## ACTIVITIES / PROGRAM PARTNERS / SPECIAL EVENTS

The Central Florida "Jubilee '19" will offer HUNDREDS of opportunities for Scouts of all ages. Here is a list of some of our feature activities and program partners. This list is growing every day, so check back often for updates!

---

Orlando Solar Bears Hockey - Meet representatives from the Solar Bears, check out some cool hockey gear, and try your skills at broom ball on their 60-foot hockey rink!

---

Zipline - Fly high above the action at the JUBILEE on a zipline!

---

Military Vehicle Display - Our friends from the Army are bringing some amazing vehicles and equipment for Scouts to learn about and climb inside. While you're at it, learn field first aid from Army trainers and practice your physical fitness under the encouraging eye of an Army drill Sergeant.

---

Airsoft 3-Gun Shooting – Learn to safely shoot a pistol, rifle, and shotgun in a completion style shoot, then try to record the best time you can! Prizes for the "fastest guns" will be awarded Saturday night.

---

Climbing Wall - Think you have what it takes to climb to new heights? Prove it on our vertical climbing wall. See if you can tackle all the routes, or challenge your friends to see who can climb the fastest!

---

EPIC Obstacle Courses - Have you ever wondered how you would do on shows like "Wipe Out" and "American Ninja Warrior"? Well, find out as you navigate 3 different obstacle courses, some longer than 100 feet! Climb, roll, and jump through the individual courses and see if you can log the fastest time...then try ALL of the courses in one "EPIC DASH" to the finish. Leaders boards will record best times on each course and for the overall EPIC DASH; best times will be awarded prizes at the Saturday Stage Show.

---

Mini-Golf Course – Challenge your friends to a game of golf on our 9-hole mini-golf course!

---

BB Gun Range – Take aim at the Daisy Inflatable BB Gun Range!

---

MetroPlan Orlando - Ever wish you could lay out your own city? Give it a try with the MetroPlan "StreetMix" program, which allows Scouts to design their own streets and roads online and share them via social media!

---

The Kingdom of Neverwinter - Prepare for battle with the local members of Amtgard, a battle gaming/live-action role playing group. Learn about the game, make gear, and experience simulated combat like never before!

---

Slingshot/Wristrocket Range – Show how accurate you are with a simple “wrist rocket” style slingshot.

---

Native American Experience - Experience Native cultures and join with Native Dancers in this unique area.

---

University of Central Florida - Representatives from several departments will be showing off their amazing STEM related offerings. Look for demos from the Chemistry and Physics Departments, a telescope from the Astronomy Department, and more.

---

LEGOLAND Florida Resort - Everyone's favorite building blocks will offer tons of hands-on opportunities with LEGO MINDSTORMS and other LEGO-related fun!

---

Archery Range – Hit a bullseye on the Archery Range!

---

Kennedy Space Center - Check out the actual LUNAR ROVER and learn about NASA missions, past and present, from real NASA experts!

---

Brevard County Zoo - Learn about animals, climb a tree, and interact with real zoologists and the animals they care for (REAL ANIMALS!)

---

SEA LIFE Orlando Aquarium (courtesy of Merlin Entertainments) - Learn about the SEA LIFE Aquarium, about the animals they showcase, and participate in conservation efforts that you can do to help marine wildlife locally.

---

Historical Displays - Learn about the history of Scouting, and the Eagle Scout Rank specifically, with Terry at GroveEagle. See lots of relics from Scouting past!

---

Tomahawk Throwing Range – Can you “stick” a hawk on our tomahawk range? Give it a toss and find out!

---

Medieval Times - Check out the awesome programs at the premier medieval combat recreation destination. Meet knights and lords, try on pieces of armor, and watch an exciting demonstration of castle-combat!

---

Orlando Health Air Care Team – Talk with the real heroes of the Emergency and Trauma Helicopter team. Inspect their helicopter and the equipment they use to save lives!

---

Atl Atl Range - Learn to hunt like our early ancestors, using this primitive tool!

---

#### SPECIAL PROGRAMS:

##### BMX TRICKSTARS

Live performances throughout the day on Saturday!

Watch professional BMX riders do amazing tricks and stunts while teaching Scouts about the importance of safety, bike maintenance, and believing in yourself!

##### BATTLEBEACH ROBOT BATTLES

A complete robot competition experience! Watch preliminary battles and meet the builders throughout the day Saturday. Check out the real fighting robots (as seen on TV) and learn from their builders and pilots what it takes to make (and break) these amazing machines! Then watch the FINAL BATTLES on Saturday night at our arena show and see which 'bot comes out on top!

## CAMPING OPTIONS

Welcome to Osceola Heritage Park, Home of the Central Florida "Jubilee '19"  
December 6-8, 2019

Osceola Heritage Park Directions: <http://www.ohpark.com/plan-your-visit/directions>

### Camping Areas

There will be a reserved area for Unit Camping...a whole city of tents! The camping areas will be near all events, hands-on activities, and the meal service. Lion and Tiger Cubs must have a parent with them. Tent Camping is FREE with every paid event admission. Units will be assigned campsites by the Jubilee Campmaster Staff.

### RV Sites

Osceola Heritage Park has a VERY LIMITED number of electricity only RV sites. These sites will be available to reserve through our online reservation system for the Jubilee. The RV campsites are encouraged for family camping or individuals who would like to bring an RV to the Jubilee. Be sure to get your reservation in early, space is limited and these will go fast! There is an additional fee for each RV site.

### Hotels Rooms in Kissimmee-St. Cloud Area

The Kissimmee-St. Cloud area has hotels available near Osceola Heritage Park for those who do not wish to camp. Many of these rooms are open to reserve by searching the internet. Be sure to get your reservation in early, space is limited in the Kissimmee-St. Cloud area.

## CHECK IN/CHECK OUT PROCEDURES

### CHECK IN PROCEDURES – FRIDAY

Upon arriving at Osceola Heritage Park, you will enter ACCORDING TO YOUR CAMPING AREA\* and follow the flow of traffic. There will be signage and event personnel directing traffic.

*\*Your event packet (mailed to you after November 15, or picked up at the Scout Office) will include DETAILED INSTRUCTIONS for park entry according to your preassigned camping zone. Please follow these instructions COMPLETELY to avoid traffic back ups and make entry into the park as easy as possible.*

ALL VEHICLES MUST have a Jubilee parking pass to enter Osceola Heritage Park. These will come in your registration packet (see REGISTRATION INFORMATION section for details.)

Some guidelines to consider:

- Upon arriving at the camp, all units will be immediately directed to their camping area.
- District or area Campmasters will be responsible for organizing their camping area.
- We will allow one unit trailer & vehicle to enter Osceola Heritage Park and to be left at individual campsites if there is no rain. If it rains there will be a parking area assigned. All other vehicles will be directed to a special parking area near-by. NO EXCEPTIONS.
- Military members and staff will be available to assist in directing all vehicles to the parking areas.
- Full cooperation from each unit will assist in maintaining the camp at the high standards to which we're all accustomed.
- Units must check in with the Campmaster and turn in an updated roster before setting up camp. Please check with your Campmaster to see if they have any specific instructions for you or to report any special needs your unit may have.
- Cub Packs may camp overnight at Osceola Heritage Park. Packs will be allowed to camp out both nights. The BSA guideline of youth/adult ratio of 4:1 will apply. There will be Military & Security volunteers located throughout the park for your security and assistance.
- A limited number of RV camping sites are available at Osceola Heritage Park. Register early as they will be reserved on a first come, first served basis. Tent camping is recommended.
- Cars are allowed at campsites to unload and then must move to an assigned parking area. Carpooling is highly recommended.

### CHECK IN PROCEDURES - SATURDAY

Day visitors and Saturday campers will be directed to a specific gate for entry into the event. Upon arrival, all vehicles will be greeted and directed to the parking area to unload.

### IDENTIFICATION

Each attendee MUST wear the wristband event ID that will be provided with registration at all times. These bands will help identify participants in case of an emergency and allow access to the events. Replacement bands will be subject to registration verification. Participants cannot participate in any of the events or shows without this wristband. **It is recommended that all YOUTH have their Unit number and an adult cell phone number written on their band for emergency notification purposes.**

## IMPORTANT INFORMATION

### RULES

The Scout Oath, Scout Law, the Outdoor Code, and Leave No Trace principals serve as the rule book for all Scouting events. In addition, the following rules must be observed:

- No sheath knives, personal firearms or fireworks of any kind will be allowed in the camp (in the possession of youth or adult). Any of the above items discovered by camp staff will be confiscated until the unit checks out with their Campmaster Sunday morning.
- No alcoholic beverages nor illegal/illicit drugs will be tolerated. Anyone, youth or adult, found to be in possession of these items will be turned over to law enforcement.
- Drivers and passengers must wear seat belts at all times while riding in a vehicle. No persons in cargo beds or sitting loose in vans.

### LEADER CONDUCT

We ask that all leaders assist us in enforcing these policies and encourage leaders to take one additional step toward setting a good example for the youth of our council. Please give sincere consideration on taking a weekend break from use of all tobacco and e-cigarette products. Young minds are impressionable and Scouting youth frequently look to their leaders as role models. Units are expected to follow the “Pack it in - Pack it out” method of dealing with trash.

### WHAT TO BRING

In addition to your unit camping equipment, the following list is provided to assist campers in the selection of their personal gear. Refer to your Scout Handbook for additional assistance.

- Completed Annual Health & Medical Record Form (<https://www.scouting.org/health-and-safety/ahmr/>)
- Uniform – Can wear Scout t-shirt during the day. Please wear field (Class A) uniforms to the Friday evening & Saturday evening stage shows.
- Sleeping Bag (if camping)
- Appropriate clothing (it can get cold in December at night)
- Rain gear
- Toiletries (if camping)
- Personal first aid kit
- Small flashlight
- Camera
- Money (trading post and concessions will be available)

### FOOD

Units/Leaders/Parents will be responsible for their own meals during this event and should plan accordingly. Scouts normally do not want to leave the fun-filled event area and go back to the campsite to prepare meals. Therefore, we suggest using the Osceola Heritage Park Food Services and/or Concessions for your meals. We have made the food prices affordable to help keep costs as low as possible for our families. The Osceola Heritage Park Food Service concession area is in the center of the Programs, Adventure & Fun so that everyone can participate in more program fun and enjoy delicious food. Please see page 19 for more information.

Gas/Charcoal grills and propane stoves are permitted, however no ground fires, open fires, or fire pits are allowed.

### **LATRINES AND SHOWERS**

We are providing portable latrines to supplement the permanent toilet facilities at Osceola Heritage Park. All Jubilee participants are urged to keep the latrine facilities as clean as possible. All latrines will receive regular servicing during the weekend. **No shower facilities will be available while camping on the Osceola Heritage Park site.**

### **FRESH WATER**

There is limited access to water throughout the camping areas. Units are highly encouraged to bring large FULL water containers and canteens for their convenience. Bottled water for drinking will be sold at the Osceola Heritage Park Concession Stands.

### **WASTE WATER (GREY WATER)**

Wastewater **MUST** be collected and disposed of into designated collection points or drains. You can do this with a 5-gallon bucket or other device that can store non-potable water. Dumping wastewater (sometimes called “grey water”) onto the ground is a violation of Osceola Heritage Park rules. Help us protect our environment, Osceola Heritage Park and Osceola County to dispose of wastewater properly.

### **FIRES**

No ground fires, open fires, or fire pits are allowed; gas/charcoal grills are acceptable, though not encouraged, per OHP policy. This is necessary to protect the park’s ecosystem from fire damage and to protect the quality of the air for the event participants. Also, open fires pose a significant risk to the park in case of dry weather. Units are asked to use gas/propane stoves in accordance with BSA safety policies and rules.

### **TRASH**

Trash receptacles will be located in high volume areas of the park. Please help reduce container overflow by bagging campsite trash and taking it out of the park when you leave. This is a good time to teach “Pack it in - Pack it out” to your Scouts. All trash at campsites shall be picked up before checking-out with the Campmaster.

### **GOLF CARTS/ GATORS/ BICYCLES/ SKATEBOARDS**

Golf carts and Gators are for staff use only. No personal golf carts, gators or four-wheelers, etc. are allowed. Other than for emergencies, event participants will not be allowed to ride in or on golf carts. Event participants who need a handicap pass to use a vehicle (other than their personal powered wheelchair or scooter) should check in with safety and security at registration. Every effort will be made to accommodate all event participants. No bicycles, skateboards, or scooters are allowed.

### **SECURITY**

Security and traffic control in and around Osceola Heritage Park will be handled by various law enforcement and volunteer groups / agencies, including volunteer Event Staff. These groups may include Military, Police Officers, Sheriff’s Deputies, and the Campmaster Corps.

Event Staff and security personnel will be providing patrols and traffic controls throughout the park. They will be providing 24-hour monitoring of all park activities and will also provide security and assistance as requested by the Central Florida Council. In the case of an emergency, or if you need assistance inside Osceola Heritage Park, contact Event Staff they will provide any and all necessary support to assist you. They will be in constant contact with the medical staff and law enforcement agencies and located throughout the park in teams.

**The main security station will be located in the Event Center.**

Security and Event Staff will be checking wristbands at all gates, entrances, and other locations throughout the park. No person will be allowed into an area without displaying the proper wristbands. Children two years old and under do not need a wristband.

Between 11:00 PM and 7:00 AM (quiet hours), all Scouts must be in their tents. Security and Campmasters will be enforcing this and will take any violators to their respective leaders as necessary and provide a listing to the Scout Jubilee leadership each morning. The only exception to this rule will be for a trip to the nearest latrine and then back to their tents.

Any group that needs to take down their campsite and leave the park prior to Sunday morning must contact security and the Campmaster for assistance.

#### **TRAFFIC**

Osceola Heritage Park is managed by SMG Venue Management. Traffic will be controlled and signs directing the flow of traffic will be posted throughout the park areas. One camping tag per Unit designating the ability to park in the designated camping area will be provided to a member from your Unit packet. This tag must be displayed on the dashboard of each vehicle. To keep traffic flowing smoothly, **DO NOT STOP ON THE PARK ROADWAY**, unless directed to do so. If you miss your turn, the flow of traffic through the park is in a large circular path so you will be able to get back in line for a second chance. There will also be personnel along the route to help direct you to your correct destination.

#### **PARKING**

All vehicles entering the Osceola Heritage Park will be directed to a specific parking area by signage and Event Staff. Please respect the guidance provided as it is intended for the safety of all participants.

Parking in the assigned campsite areas will be allowed with a camping tag that will be included in the unit packet. Only one vehicle per unit will be allowed to park in the campsite areas. That means each Pack, Troop, or Crew will be issued One Vehicle pass per group. Troops typically have a troop trailer that will use the pass. We encourage Pack families to work together and coordinate the use of a trailer or one large vehicle for all Pack gear to be transported to the campsite. All other vehicles will be parked in an assigned parking area close to their campsite.

Event Staff greatly appreciates your support and understanding in performing their duties as requested by the Central Florida Council. Their aim is to ensure this event is rewarding and safe for all those who attend. Park personnel and outside agencies will be working side-by-side with BSA leadership to ensure that the needs of those who attend the Jubilee are met.

### **FIRST AID, MEDICAL RELEASE & WRISTBANDS**

A medical release form **MUST** be filled out for everyone attending the Jubilee. A copy of the release is available at <https://www.scouting.org/health-and-safety/ahmr/>. Feel free to make additional copies as needed. Everyone, parents, siblings, etc. should fill one out and carry it in their pockets. All attendees will be provided with a wristband. Wrist bands will be in the pre-registration packets or will be given at walk-in registration. These wristbands **MUST** be worn at all times. This will assist in identifying participants in case of an emergency.

**The main first aid station will be located outside the Event Center and will be staffed by medical personnel 24-hours a day.**

All cases requiring treatment should be brought to the attention of the event staff and, if necessary, taken to the first aid station. In the event of a medical emergency which requires that the person **NOT** be moved, headquarters or medical personnel should be notified immediately to arrange for transport of the injured. Arrangements have been made with a nearby hospital in case of serious accident or injury.

During the registration process, please note any allergies, medical concerns, or any other special needs in the appropriate fields provided. These notes are use by Event Staff to ensure the safety and well-being of your Scouts and should **NOT** be overlooked. Help us help you by providing as much detail as possible before the event.

Location Map will be added in Next update of the Leader's Guide. This will show camping areas and check in sites, along with Program areas.

## FOOD

Osceola Heritage Park has a great food service provider that is committed to serving the best food in a timely manner for Jubilee '19

We encourage you to eat in the Jubilee Meal/Concession Area to maximize your activity time at the event. An advanced purchase meal plan is available for \$25 for 4 meals (3 meals Saturday and Sunday Breakfast). Meal Plans may be purchased in advance through the online registration process.

### **The Jubilee Meal Plan\* (proposed menu, subject to change)**

Saturday Breakfast-Egg Sandwich with bacon or sausage, hash browns, fruit, milk/juice

Saturday Lunch-Pulled Pork Sandwich, macaroni salad, cookie, Aquafina Bottle Water/juice

Saturday Dinner-BBQ chicken quarter, smoked corn on the cob, baked beans, coleslaw, buttermilk biscuit, ice cream cup, Aquafina Bottle Water/juice

Sunday Breakfast-Assorted pastries, milk/juice

*\*Special dietary requests will be accommodated as best as possible if noted in advance on registration. Pork-free options available by request.*

**There will also be Osceola Heritage Park Concession Areas with popular snack foods** – everything from chicken tenders to jumbo pretzels to smoked sausage.

**Meal and Concession Area Times will be announced in future editions of the leader's guide.**

A decorative banner at the bottom of the page features a row of green palm trees against a light green background. Overlaid on the trees is the text "JUBILEE '19" in a large, blue, 3D-style font with a white outline and a slight shadow effect.
