

SAFETY MB – SESSION TOPICS AND SUGGESTED RESEARCH

(Research suggestions are items that Scouts may want to be BEFORE each session indicated.)

Pre-Session Work - Common Injuries/Crimes; NTAS

Go online and search for statistics on common accidents/injuries, and crime rates for your state and/or community. Complete this form:

<https://247scouting.com/forms/form.php?OrgKey=BSA083&id=1340>

This form must be completed by the end of the final session to receive credit.

Learn about the National Terrorism Alert System (NTAS) online:

<https://www.dhs.gov/national-terrorism-advisory-system>

Then complete the following form:

<https://247scouting.com/forms/form.php?OrgKey=BSA083&id=1341>

Topic Session 1 - Risks/Hazards at Home; Fire Safety; Intro to Project

SUGGESTED RESEARCH: In addition to the searches done for your Pre-Session work, start a list of possible HAZARDS in each of the rooms of your house.

Topic Session 2 - Emergency Action Planning

SUGGESTED RESEARCH: Do an online search for “emergency action plan form” and see what examples you can find.

Topic Session 3 - Safety Away from Home

SUGGESTED RESEARCH: Look on the website of 3 places you visit often (school, grocery store, etc.) Do they have an emergency action plan or map of emergency exits on their website?

Topic Session 4 – Safety Online; Project Discussion

SUGGESTED RESEARCH: Prepare an outline/plan for your safety project. What do you plan on doing? What materials/tools do you need? Who can help?

FINAL COMPLETION / VERIFICATION FORMS:
