# EMERGENCY PROCEDURES

## CAMP WIDE EMERGENCY ALARM PROCEDURES

In the event there is a camp wide emergency, a constant wailing (air raid) siren will sound. If you hear this siren, please proceed to the Seneff Family Flag Pole, line up with your unit, take roll call, have your SPL report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from Camp Staff. Everyone, all youth and adults must report to the flag pole during a camp wide emergency alarm unless instructed otherwise by Camp Staff. The entire camp will have an opportunity to practice these procedures within 24 hours of arrival.

## CAMP LIGHTNING ALERT PROCEDURES

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware. This plan has been developed for the use of Scouts, Adult Leaders, and Camp Staff while camping and/or participating in programs and activities. Camp La-No-Che is equipped with a lightning detection system called Thor Guard. The system senses lightning within a predetermined safety zone in Dr. Phillips Park and will sound an alert. A text will also be sent using our camp wide text alert system. If you are not in the Dr. Phillips Park area, please use your Hazardous Weather Training to determine your best course of action during inclement weather.

- **ALERT YELLOW:** Notice will be sent via Camp Staff radio and the camp wide text alert system of the monitoring of impending inclement weather that may impact programs and activities at Camp La-No-Che. Further directions may be given depending on the weather outlook for all program participants.
- **ALERT RED:** You will hear one fifteen (15) second blast of the air horns and a text from our camp wide text alert system. This alarm means that lightning is close and you need to seek appropriate shelter where you should remain until given the all clear signal. Please keep your distance from windows, screen openings, and perimeter railings for your protection. Further direction may be provided by the Camp Program Team as needed.
- **ALL CLEAR:** You will hear three (3), five (5) second blasts of the air horn. The area should now be considered safe and you may proceed, but still be cautious of dangerous weather as it still may be near

## HEALTH LODGE & FIRST AID PROCEDURES

The AdventHealth Lodge is staffed by a qualified Resident Health Officer who is trained and prepared to treat basic first aid and illnesses at all times (but may not be a medical doctor). In the event of a serious emergency, please call 9-1-1 prior to notifying Camp La-No-Che Management and the Health Officer. When visiting the Health Lodge, please enter the front door or use the radio/intercom to ask for assistance. Any youth under the age of 18 must be accompanied by an adult (the Central Florida Council does not provide sickness and accident insurance for out of council units).

# "TRAINING AND ADVENTURE"

# SAFETY

## YOUTH PROTECTION

Camp La-No-Che strictly adheres to the Youth Protection policies set fourth by the Boy Scouts of America. If you ever suspect any form of abuse immediately alert Camp La-No-Che Management. Failure to report potential abuse is allowing potential abuse to occur/continue.

## TWO-DEEP LEADERSHIP

Two registered Leaders (21 years of age or over) are required at all times while at camp. There must be a registered female Leader (21 years of age or over) in every unit serving females. All adults accompanying a Scouting unit overnight at camp must be registered Adult Member of the BSA.

## RESPECT OF PRIVACY

Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp, they are only to intrude when health and safety requires. Adults must protect their own privacy in similar situations.

## RULES

- One fire is permitted per campsite in the fire ring. Do not use pine cones, pine needles, spanish moss, kerosene, or gasoline in the fire. While burning, the fire must be attended at all times. Before leaving the fire, water must be used until the fire is completely out and the ashes are cool.
- Cooking must be done at least twenty feet away from tents and buildings. Propane and liquid fuels may only be used under supervision of adults. No gasoline is to be used. Fuel is to be stored away from tents & buildings.
- Since animals can lift lids & open simple latches, food should be stored in the bear box provided in campsite.
- Stick, roll-on, or pump insect repellent and deodorant is preferred, and aerosol should be avoided if possible. If aerosol of any kind must be used, it must be used outside of tents and under adult supervision.

# "TRAINING AND ADVENTURE"

# POLICIES

## MERIT BADGE COMPLETION POLICY

While attending camp, each Scout will receive credit for requirements completed for merit badges. It is possible that due to weather/program changes, not all planned requirements can be accomplished during camp. There is no guarantee that a Scout will complete any merit badges while at camp. Each Scout is given the resources and assistance to work towards this goal. It is up to each Scout to properly complete the requirements offered.

## VALUABLES POLICY

The Leonard and Marjorie Williams Family Scout Reservation/Camp La-No-Che Management and Staff will not be responsible for camper or troop valuables while in camp. Use these tips to avoid any losses while at camp:

- Advise your Scouts to bring as few valuables as possible and encourage Scouts to use locked trunks
- Do not carry large amounts of money around camp
- The unit leadership should bring a lock box with them for unit use
- Never leave a Scout alone at the campsite
- Advise your Scouts not to walk through another unit's campsite

## VEHICLE POLICY

To protect our camp and all Scouters, we ask that all vehicles be parked in the Main Parking Lot. Vehicles will be allowed to transport gear to and from campsites on Camp Days 1 and 6. Troops will be permitted to park their equipment trailer in their campsite along with one vehicle per unit. All equipment trailers must be disconnected from the tow vehicle and the trailer's hitch must be flagged for safety.

## GOLF CART/UTV/ATV POLICY

Camp La-No-Che golf carts and UTVs are utilized around camp. These machines are only operated by trained and approved Camp Staff for program duties. Personal golf carts and UTVs are not allowed unless prior approval is granted. An online course is mandatory, and must be completed before arrival to camp ([ROHVA.ORG/](http://ROHVA.ORG/)). A Golf Cart and UTV Policy acknowledgment form must also be on file in the Camp Office. (The BSA strictly prohibits the use of ATVs unless they are Council-owned and used for the ATV Safety Program)

## UNIFORM POLICY

During the day, Scouts and Scouters are allowed to wear their BSA Activity Uniform. If shirts are worn not affiliated with the BSA, they may not contain any content that is suggestive or against the mission of the BSA. However, all participants must wear closed-toe shoes at all times. The only exception is that flip flops, aqua socks, or sandals may be worn in the campsite when going to the shower or after arriving at the lake front. It is required to wear the BSA Field Uniform (Class A) for evening dinner.

## LEAVE NO TRACE POLICY

While at Camp La-No-Che, all Units and Scouts should abide by the principles of Leave No Trace. Please make every effort to maintain the camp's appearance. Please remember that Scouts are neat and clean.

## BOY SCOUTS OF AMERICA SMOKE FREE POLICY

Boy Scouts of America policy is to provide a smoke-free environment for all Scouting participants. Therefore, smoking is not allowed at La-No-Che in the presence of youth or in buildings. You may smoke only in the designated adult break area behind the Trading Post.

## HAMMOCK POLICY

We encourage Scouts to bring their hammocks to Camp, but we ask that all follow the BSA Safe Hammocking Guidelines! Camp La-No-Che also requires the use of "tree straps".

1. Hammocks must be hung in secure locations (no buildings or shelters)
2. Never stack hammocks above each other.
3. The lowest point of a hammock must not be more than 3 feet above the ground.

## REFUND POLICY

All deposits paid, either for campsite or participant are non-refundable deposits. To request a refund of other monies paid, you must submit a refund request form and meet the criteria listed in order to receive a potential refund.
