

WINTER CAMP PARENT & LEADER GUIDE

2023

WELCOME TO CAMP LA-NO-CHE

Welcome to the 2023 Camp La-No-Che Winter Camp Parent and Leader Guide. We have learned a lot from these past couple winters and winters about camp and how important it is. We are prepared to deliver an unparalleled experience for all Scouts this upcoming program year no matter what the world may send our way.

In the coming months leading up to your stay, there will be many troop meetings, including new Scouts, new skills learned, and a build-up of excitement for your next adventure. All of this will lead to the highlight of many of your Scouts' year – a week at camp with their friends making memories that will last a lifetime.

***“A week of camp life is worth six months of theoretical teaching in the meeting room.”
- Lord Robert Baden-Powell***

To help you get your Scouts ready for this great experience, we have put together this Winter Camp Parent and Leader Guide to help you prepare for camp, inform you of important dates, let you know what to expect while at camp, and help prepare you to get the most out of your stay.

Detailed information for our programs and activities are published in our Winter Camp Program Guide. An overview of each program area open at Winter Camp is included in this guide and can be used as a tool for Scouts to start thinking about their adventures at Camp La-No-Che.

Every year, we work to recruit a skilled Winter Camp Staff and we want your most accomplished Scouts to be a part of Camp La-No-Che's future. Please encourage your best Scouts to apply for a position this upcoming winter or winter. We are accepting applications now, more information can be found on page 4 of this Leaders Guide.

Adventure Awaits, See you at Camp La-No-Che!

CAMP COMMISSIONER MESSAGE

Service is a large part of Scouting. Every Scout must participate in service projects to advance in rank. Service also goes beyond advancement requirements. It is part of the growing process along your journey as you move from youth to adulthood. Transitioning from working for what you want to working for the community as a whole.

That is why so many good people spend so much time volunteering. Think of all of the adults who helped out your troop. They give their time willingly to help you, even though they are busy. These Scouters don't complain about the commitment. They are happy to spend their precious free time helping you, not because it benefits them, but because it benefits you! They demonstrate cheerful service every session at your meetings and now at camp!

While you are here at camp we provide ample opportunities for cheerful service from participating in flag ceremonies, to serving your fellow Scouts in the dining hall, cleaning common areas of camp, to Commissioner Special Projects. Please take the initiative to be a "Helpful" Scout and provide cheerful service for your camp community.

HELP BUILD THE FUTURE, JOIN CAMP STAFF!

The Ecology Lodge is full of bones, shells, specimens, and skins and will keep your Scouts coming back for more.

HOBBIES, SKILLS, STEM

The Hobbies, Skills and STEM area encourages Scouts to explore new hobbies, practice their skills, and innovate in STEM. Located in the Rotary Lodge and heart of camp this place is pretty “cool”. Passion and imagination collide all winter long for Scouts who call Hobbies, Skills, and STEM home.

HANDI-HEALTH CRAFT

The Handi-Craft Pavilion is home to this area this winter. Only appearing during the Winter Camp Season these merit badges offer additional program opportunities not normally seen at Camp La-No-Che. If you have Scouts looking to expand their knowledge on health, safety, and handi-crafts this is the area to check-out this season!

PROGRAM AREAS

LEADERSHIP

Back and better than before our Leadership area assists Scouts in their completion of Eagle Required Merit Badges. This area will be featured at both Winter Camp and Summer Camp moving forward, with rotating list of merit badges. Staffed with dedicated counselors, who welcome additional help throughout the session from unit leaders passionate about their Scouts and their journey in Scouting!

OUTDOOR SKILLS

When you think of Scoutings fundamentals, you're probably thinking of offerings in this area! We help Scouts enhance those basic skills to be successful in the outdoors, while being prepared to act and take care of others no matter the emergency. Scouts always find success if they put in the time and effort with merit badges taken here.

SHOOTING SPORTS

Patience, self control, and being trustworthy are all tenets of this program area. Located on our Shooting Sports Trail with many programs and activities to explore. Our basic programs like Archery, Rifle, and Shotgun Shooting can be a real blast!

TRAILBLAZER

LEADER EXPERIENCE

Camp La-No-Che offers many programs and activities for adults because let's face it, camp is a vacation from your normal everyday life. In all seriousness we understand the sacrifice every adult makes to be at camp with their Scouts. You are taking vacation time away from your family, and time away from your careers. We want to do all that we can to help make your stay enjoyable. Below are some items put in place for your own experience at a camp. Whether you are at camp to enjoy yourself, or are keeping tabs on the office when supporting your Scouts.

PROGRAMS & ACTIVITIES

There are different experiences available to adults throughout the session. Below is a list of our current offerings for this upcoming winter. Keep in mind, there may be changes to this list when registration goes live on Sept 1st. We encourage you to register just like our Scouts for these programs and activities, some reach capacity quickly (a complete list will be published in the Program Guide on August 1st). LEADER INFORMATION

During a session at winter camp, Scouts will have many different opportunities for memorable experiences. As Camp Staff, we will do our best to provide the best possible environment for unparalleled experiences. As a Unit Leader, there are things that you can do and that are expected of you to make it a great session for everyone!

UNIT LEADER RESPONSIBILITIES

- Complete the reservation and registration process for camp.
- Provide guidelines to your unit for good Scouting behavior while at camp.
- Review the Program Guide with your Scouts, enabling them to effectively schedule their experiences.
- Review each Scout's planned program to ensure that they are not reaching beyond their capabilities. (this minimizes the possibility of a disappointing experience)
- Review with your Scouts any paperwork, supplies, or clothing required for their programs.
- Review any requirements not completed at camp with them so they are aware of them.
- Monitor each Scout's daily progress at camp and provide support as needed.
- Stress the importance of drinking plenty of water while at camp (avoids missing out on experiences)
- Ensure each Scout brings a water bottle or hydration device to use during camp.
- Ensure Scouts are following the buddy system - at least two Scouts traveling together.
- Communicate with the Program Director or Camp Director as soon as possible should a problem arise. (between Scouts and/or any Staff Member)
- Verify the unit's advancements for any discrepancies and resolve them with the Program Director.
- Provide feedback regarding the program and Staff prior to the end of your winter camp experience.
- Complete a Winter Camp Evaluation prior to your departure from camp.
- Complete an electronic survey after camp with your Scouts following a troop meeting.

HOMESICKNESS

Many Scouts are susceptible to homesickness. Youth and adult leaders need to be alert for symptoms. Keep your Scouts engaged in activities at camp and your unit. Discourage phone calls home as this often worsens the problem.

If your families are participating in Family Night, use this as a tool to keep them from phoning home. In extreme circumstances, consider phoning home privately. You want to use the family to encourage a resolution, not make the problem worse. Staff members, the camp Commissioner, or other unit leaders are available for support and encouragement.

DISCIPLINE

For supervision to be effective, there must be discipline. It is the responsibility of unit leaders to maintain the discipline of their Scouts.

Leaders are expected to intervene in situations where campers pose a threat to themselves or others. Discipline of other campers should be deferred to their unit leadership. All discipline should follow Youth Protection Guidelines.

Please advise Camp Staff regarding any inter-troop conflict so documentation can be made, and appropriate parties can be contacted. Safety is the priority of all adult leaders.

PARENT INFORMATION

Your Scouts will be attending a 4-day/3-night experience with other Scouts and Troops from across the country, and possibly from other parts of the world. This session will be one they are going to remember for a very long time. We have gathered some tips and advice here for you, the parents to help ensure they have a great time during the session. Please read this page carefully and be sure you are ready, so you can help them prepare!

MONEY AND VALUABLES AT CAMP

We recommend that you send your Scout with a locking footlocker so they can secure any valuables they bring with them, or they purchase while at camp. We highly recommend that your Scout bring as few valuables as possible. As for money, a good idea is to divide the session's money into multiple day envelopes and give those to the Unit Leader to secure until that day. This prevents your Scout from walking around and potentially losing their session's worth of money all at once. Camp La-No-Che is not responsible for personal property/money brought to camp.

COMMUNICATION

Camp La-No-Che has cell phone reception. Camp La-No-Che receives excellent service from Verizon Wireless and slightly less from AT&T, while T-Mobile service is extremely limited. Please plan accordingly as it is possible that your Scout may not have cell phone communication. To stay in touch with your Scout, be sure to talk with your unit leaders before camp to find out what their protocol is for communication during camp. Some units have policies of only communicating at certain times. These policies are often in place to help prevent homesickness. Please do your best to be respectful of your unit leader's plan for communication.

Scouts can receive care packages and letters at camp (please allow 5 days minimum for shipping). Please include:

Scouts Name
PROVO or Unit Number
Session #

Camp La-No-Che
41991 Boy Scout Road
Paisley, FL 32767

MERIT BADGES AND ADVANCEMENT AT CAMP

While attending camp, each Scout will receive credit for requirements completed for merit badges. It is possible that due to weather/program changes, not all planned requirements can be accomplished during camp. There is no guarantee that a Scout will complete any merit badges while at camp. Each Scout is given the resources and assistance to work towards this goal. It is up to each Scout to properly complete the requirements offered. A records of the requirements completed will be available for download through the registration system at the conclusion of camp. Unit level leadership then has the responsibility to upload as needed.

W.T. BLAND DINING HALL

The W.T. Bland Dining Hall is the center piece of fellowship and sustenance while visiting Camp La-No-Che. Located in the center of Dr. Philips Park it serves as a multi use facility throughout your stay at camp. Not only does it serve 3 meals everyday throughout the session to all youth and adult participants, but it is also home to trainings, meetings, and entertainment throughout the session. The Dining Hall also serves as our main camp shelter in case of serious emergencies, and for program areas to continue delivering their quality programs.

FOOD ALLERGIES & MEDICAL DIETARY NEEDS

If during your stay you or someone in your troop requires a special diet that is prescribed by a physician and documented on the Annual Health and Medical Form, please take the following steps. During registration have the Unit Registration Contact or Parent (if granted access through Parent Portal) list the needs of the participant under the individual registrant comments section. This information will be printed and shared with our Dining Hall Staff in preparation of you visit. Procedures on how to request the personalized meal will be gone over at check-in during the camp tour. Camp Staff will do our very best to assist you in your dietary needs during your stay at camp.

COMMUNICATION & TECHNOLOGY

COMPUTERS/TABLETS

Unlike other camps, we welcome the use of technology at Camp La-No-Che! Scouts and Leaders are encouraged to post to social media about their amazing Winter Camp experiences on the Camp La- No-Che Facebook page, or by sharing photos on Instagram and Twitter to the hashtag #campLNC23

CELL PHONE SERVICE

Camp La-No-Che has cell phone reception. Camp La-No-Che receives excellent service from Verizon Wireless and slightly less from AT&T, while T-Mobile service is extremely limited. Please plan accordingly as it is possible that your Scout may not have cell phone communication.

WI-FI

We are extremely fortunate to have wireless internet available throughout Dr. Philips Park (the main hub of camp). Staff are encouraged to use this service to supplement in-class teaching or even video call with industry experts!

Adult Leaders can utilize the Wi-Fi at any location in Dr. Philips Park by connecting to the network. The password will be distributed at the first Adult Leader Meeting. If you need a space to get some work done while away at camp the New Adult Leader Lounge located near the Camp Office offers a quiet workspace to conduct a conference call or work quietly without interruptions.

The Dining Hall also doubles as a space to spread out and keep up with the office during the session. We encourage you to get creative! Some popular place to work outside are the: dining hall front porch, camp gazebo, trading post porch, and anywhere in between.

EMERGENCY PROCEDURES

CAMP WIDE EMERGENCY ALARM PROCEDURES

In the event there is a camp wide emergency, a constant wailing (air raid) siren will sound. If you hear this siren, please proceed to the Seneff Family Flag Pole, line up with your unit, take roll call, have your SPL report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from Camp Staff. Everyone, all youth and adults must report to the flag pole during a camp wide emergency alarm unless instructed otherwise by Camp Staff. The entire camp will have an opportunity to practice these procedures within 24 hours of arrival.

CAMP LIGHTNING ALERT PROCEDURES

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware. This plan has been developed for the use of Scouts, Adult Leaders, and Camp Staff while camping and/or participating in programs and activities. Camp La-No-Che is equipped with a lightning detection system called Thor Guard. The system senses lightning within a predetermined safety zone in Dr. Phillips Park and will sound an alert. A text will also be sent using our camp wide text alert system. If you are not in the Dr. Phillips Park area, please use your Hazardous Weather Training to determine your best course of action during inclement weather.

- **ALERT YELLOW:** Notice will be sent via Camp Staff radio and the camp wide text alert system of the monitoring of impending inclement weather that may impact programs and activities at Camp La-No-Che. Further directions may be given depending on the weather outlook for all program participants.
- **ALERT RED:** You will hear one fifteen (15) second blast of the air horns and a text from our camp wide text alert system. This alarm means that lightning is close and you need to seek appropriate shelter (Dining Hall or Campsite Activity Shelters where you should remain until given the all clear signal. Please keep your distance from windows, screen openings, and perimeter railings for your protection. Further direction may be provided by the Camp Program Team as needed.
- **ALL CLEAR:** You will hear three (3), five (5) second blasts of the air horn. The area should now be considered safe and you may proceed, but still be cautious of dangerous weather as it still may be near

HEALTH LODGE & FIRST AID PROCEDURES

The AdventHealth Lodge is staffed by a qualified Resident Health Officer who is trained and prepared to treat basic first aid and illnesses at all times (but may not be a medical doctor). In the event of a serious emergency, please call 9-1-1 prior to notifying Camp La-No-Che Management and the Health Officer. When visiting the Health Lodge, please enter the front door or use the radio/intercom to ask for assistance. Any youth under the age of 18 must be accompanied by an adult (the Central Florida Council does not provide sickness and accident insurance for out of council units).

HEALTH OFFICER

The AdventHealth Lodge is located in the center of Dr. Phillips Park and is staffed by a qualified Resident Health Officer who is trained and prepared to treat basic first aid and illnesses at all times (but may not be a medical doctor). If you have any concern prior to your stay please contact the Camp Office.

QUARTERMASTER

The Bob Bunnell Quartermaster is your location for your camp basic essentials, and is located to your left hand side as your approach the Camp La-No-Che Gateway. Home to items like coffee, ice, toilet paper, soap, and yard tools your unit is bound to visit here at least 2-3 times throughout your stay. This area also serves as one of the ways to report campsite facility needs. Hours are posted in your SPL/Adult Leader Passport shared at arrival.

CAMPMASTERS

The logistic champions of Camp La-No-Che and often times a completely voluntary workforce. This outstanding group has a passion for camp, and has a tradition of going above and beyond to make sure your stay is enjoyable. Often times you will find them making drop-offs to areas, assisting with check-in, or assisting in emergencies.

CAMP RANGERS

A group that can be found everywhere and is on call no matter how big or small the problem. Camp is their backyard and their expertise and dedication is greatly appreciated. This group works alongside our Program Team ensuring facilities requests are addressed, and camp continues to operate for our campers week after week.

CAMP COMMISSIONER

A team that is dedicated to customer service and enhancing your units experience while at camp. Their calling is to be one step ahead of your units needs and exceed your expectations. The Camp Commissioner also steps in when the need arises to settle inter-troop conflicts, and assists with the camp emergency action plan.

CAMP PROGRAM TEAM

The camp operation specialists and those responsible for creating and executing the plan for Winter Camp. Any administrative or program needs or questions rest in this group's capable hands. If you need help, and don't know who to call, please contact the Camp Office and we will assist you in making your stay one to remember!

RECORDS & CHECK-OUT

RECORDS

Throughout Winter Camp our Staff will track the progress and attendance of Scouts attending programs daily. As the Unit Registration Contact or parent with Parent Portal access you can see daily updates on progress made. On Friday evenings following program Area Directors hold a “Merit Badge Question and Answer Session” with interested leaders. This is an opportunity when questions or potential discrepancies related to merit badges can be investigated prior to your unit leaving camp on Saturday. This is recommended as all STAFF are still on camp.

During your stay and after camp there are many reports you can access through your [SCOUTINGEVENT.COM/083-WINTERCAMP](https://scoutingevent.com/083-wintercamp) Registration. Unit Leaders can keep track of what your Scouts are accomplishing daily, print blue cards after camp, and even download a report for your Unit Advancement Chair to update Scoutbook or Troopmaster!

POLICIES

MERIT BADGE COMPLETION POLICY

While attending camp, each Scout will receive credit for requirements completed for merit badges. It is possible that due to weather/program changes, not all planned requirements can be accomplished during camp. There is no guarantee that a Scout will complete any merit badges while at camp. Each Scout is given the resources and assistance to work towards this goal. It is up to each Scout to properly complete the requirements offered.

VALUABLES POLICY

The Leonard and Marjorie Williams Family Scout Reservation/Camp La-No-Che Management and Staff will not be responsible for camper or troop valuables while in camp. Use these tips to avoid any losses while at camp:

- Advise your Scouts to bring as few valuables as possible and encourage Scouts to use locked trunks
- Do not carry large amounts of money around camp
- The unit leadership should bring a lock box with them for unit use
- Never leave a Scout alone at the campsite
- Advise your Scouts not to walk through another unit's campsite

VEHICLE POLICY

To protect our camp and all Scouters, we ask that all vehicles be parked in the Main Parking Lot. Vehicles will be allowed to transport gear to and from campsites on Camp Days 1 and 6. Troops will be permitted to park their equipment trailer in their campsite along with one vehicle per unit. All equipment trailers must be disconnected from the tow vehicle and the trailer's hitch must be flagged for safety.

GOLF CART/UTV/ATV POLICY

Camp La-No-Che golf carts and UTVs are utilized around camp. These machines are only operated by trained and approved Camp Staff for program duties. Personal golf carts and UTVs are not allowed unless prior approval is granted. An online course is mandatory, and must be completed before arrival to camp (ROHVA.ORG/). A Golf Cart and UTV Policy acknowledgment form must also be on file in the Camp Office. (The BSA strictly prohibits the use of ATVs unless they are Council-owned and used for the ATV Safety Program)

UNIFORM POLICY

During the day, Scouts and Scouters are allowed to wear their BSA Activity Uniform. If shirts are worn not affiliated with the BSA, they may not contain any content that is suggestive or against the mission of the BSA. However, all participants must wear closed-toe shoes at all times. The only exception is that flip flops, aqua socks, or sandals may be worn in the campsite when going to the shower or after arriving at the lake front. It is required to wear the BSA Field Uniform (Class A) for evening dinner.

While at Camp La-No-Che, all Units and Scouts should abide by the principles of Leave No Trace. Please make every effort to maintain the camp's appearance. Please remember that Scouts are neat and clean.

BOY SCOUTS OF AMERICA SMOKE FREE POLICY

Boy Scouts of America policy is to provide a smoke-free environment for all Scouting participants. Therefore, smoking is not allowed at La-No-Che in the presence of youth or in buildings. You may smoke only in the designated adult break area behind the Trading Post.

HAMMOCK POLICY

We encourage Scouts to bring their hammocks to Camp, but we ask that all follow the BSA Safe Hammocking Guidelines! Camp La-No-Che also requires the use of "tree straps".

1. Hammocks must be hung in secure locations (no buildings or shelters)
2. Never stack hammocks above each other.
3. The lowest point of a hammock must not be more than 3 feet above the ground.

UPDATES TO SCOUTING'S BARRIERS TO ABUSE

(EFFECTIVE 9/1/23)

The BSA has adopted the following policies for the safety and well-being of its members. These policies primarily protect youth members; however, they also serve to protect adult leaders. All parents and caregivers should understand that our leaders are to abide by these safeguards. Parents and youth are strongly encouraged to use these safeguards outside the Scouting program. Registered leaders must follow these guidelines with all Scouting youth outside of Scouting activities.

REGISTRATION REQUIREMENTS

The chartered organization representative, or in their absence the executive officer of the chartered organization, must approve the registration of the unit's adult leaders. Registration Includes:

- Completion of application including criminal background check and mandatory Youth Protection training
- Volunteer Screening Database check

Current Youth Protection training is required for leaders when renewing their registration or at unit charter renewal. Adult program participants must register as adults and follow Youth Protection policies.

ADULT SUPERVISION [BEGIN EFFECTIVE 9/1/23]

Two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth. Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided.

All adults accompanying a Scouting unit who are present at the activity for 72 total hours or more must be registered as leaders. The 72 hours need not be consecutive.

CUB SCOUT PROGRAMS– OVERNIGHT EXCEPTION:

Cub Scout parents or legal guardians taking part in an overnight Cub Scout program with their own child or legal ward are not required to register as leaders. All adults must review the "How to Protect your Children from Child Abuse: A Parent's Guide" that can be found in the front of each Cub Scout Handbook. In addition, the parent or legal guardian must be accompanied by a registered leader at any time they are with youth members other than their own child/ward. All other overnight adults must be currently registered in an adult fee required position. *[End Effective 9/1/23]*

HOW DOES THIS EFFECT SCOUTS BSA LEVEL CAMPING MOVING FORWARD (at Camp La-No-Che)?

- When registering for a Scouting Event each unit must have 2 registered adult leaders attend from their unit.
- Scouts BSA Units from the same Charter Org MUST have 2 separate leaders attending from each unit
- Scouts BSA Units for Girls must have one of these Unit Leaders be female
- Scouting units from the same Charter Org, must register for camp separately (under 2 registrations) to ensure leader requirements are met, and that campsites are assigned accurately.
- If a Scout is attending camp without 2-unit leaders and Provisional Camping is an option the Scout will be placed in this unit (which may have an additional fee).
- If a group of Scouts is attending from the same unit in our Provisional Troop, single leaders or parents cannot attend camp with their Scout as a leader or provide supervision.
