**Exploring** is a hands-on  
program that gives high  
school students **exposure**  
to the careers in aviation.

We're excited to offer our  
newest Explorer post with  
**Hawaiian Airlines.**

### Students will:

- Participate in hands-on learning experiences in Maintenance, Cargo, Pilot, Air Traffic Control, and more.
- Develop career skills including interviewing, leadership, presentation, and teamwork skills.
- Learn about educational and occupational requirements to achieve a successful career in aviation.
