

Complete a NOVA Award in 1 (one) session. On **Saturday, October 14th**, Three Fires Council will offer “STEMapalooza”, during which a Cub Scout can complete a NOVA Award in one day at the **Technology Center of DuPage , 301 Swift Rd., Addison**

STEMapalooza Cub Scout registration: \$10
Bonus Adult Training Opportunity: \$10
Registration is online ONLY at www.threefirescouncil.org
(The Registration link is located on the Calendar).
(Tigers/Lions are ineligible to receive NOVA awards.)

Payment can be made by credit card with online registration or offline payments can be made in person via credit card/check at the St. Charles or Naperville Scout Stores. Checks should be made payable to Three Fires Council and mailed to 415 N. 2nd St., Saint Charles, Ill. 60174. Please add the event code of **STEM1-6801-312-20** in your check memo area.

This program is offered by the Three Fires Council and hosted by **Technology Center of DuPage** (for directions see www.TCDupage.org.) The number of participants for STEMapalooza is limited — so please register early. All registration is on a first come, first served basis. No refunds due to the cost of materials.

We are offering four different versions of the “Science Everywhere” NOVA award: **DNA, Water and Carbon Dioxide.**

In addition, we are offering the “Out of this World”, “Tech Talk”, & “Swing” Nova Awards.

Each session will run from 9AM until 12PM.

All Cub Scouts will receive information upon registration about those activities that **need to be completed** on their own **prior to the event** date.

*******Bonus Adult Training Opportunity*******

There will be a session for adult leaders and parents that will run simultaneous to the Scout program to assist in helping those in attendance to bring additional STEM events to their Pack.

An interest in helping the Cub Scout earn the award is the only prerequisite.

A materials list will also be provided to run your own course. The instructors will help you to put together your own kit. Adults may register using the STEMapalooza registration program.
