

Health Advisory and Accommodation Form for Campers with Special Medical Issues/Needs

This form is to be used for youth participants that plan on attending a Three Fires Council Day Camp Program that have major health concerns that could limit their full participation or present safety issues. Please complete and submit this form at least one month prior to camp to alert of the exact concern. A member of our staff will contact the parent or guardian prior to camp to discuss any requested special accommodations. While we will make every effort to make reasonable accommodations for the camper’s safety and participation, in cases of significant issues we may need to recommend that the child not attend camp. In such cases a full refund will be made. This form does not replace the BSA Annual Health and Medical Record (#680-001) which is required from all participants.
