BOY SCOUTS OF AMERICA®

## Wilderness & Remote First Aid Training

October 19-21, 2018

Camp Louis Ernst

9141 State Road 7

Dupont, IN

\$75.00 cost (food and materials)

Check-In begins at 7:00 pm

This course is required for those participating in a Philmont Trek, a Venturing youth Earning Awards, and anyone else who would like to enhance their First Aid knowledge.

### Who Should Attend:

Any Scout (at least 14 years old) or Scout leader who is proficient in Basic First Aid skills AND holds a CURRENT certification in American Red Cross CPR with AED or the equivalent.

### What Can You Expect:

An advanced first aid course designed to teach skills necessary for providing care to victims of illness or injury in a setting where professional help is delayed. The successful completion of the course is dependent on a working, confident knowledge of basic first aid skills. Time does not permit the teaching of these basic skills during this advanced course.

Whether you're a Scout, an outdoor enthusiast or you work in a remote environment, our Wilderness and Remote First Aid course gives you the skills you need to respond to an emergency when help may be delayed.

### Topics include:

- Primary and Secondary Assessments
- Head (Brain), Neck and Spinal Injuries
- Heat-Related Emergencies and Hypothermia
- Wounds and Wound Infection
- And more!

**You must complete the entire course in order to be certified.**

**This training is a product of the American Red Cross – With the Boy Scouts in mind**
