Adventure Camp Parent & Leader Guide

Build an Adventure

Scouts do stuff. They build things. Play with purpose. Make friends and work together. Set goals and clear them. They go places. Physically. Mentally. Spiritually. These life-changing experiences — and the confidence they provide — become bricks in the wall of childhood. Bricks that eventually form a foundation. One a Scout can stand on to embrace opportunity and overcome obstacles. For the parents watching in awe, it's not a question of where their Scout will go, but where won't their Scout go.

Financial Assistance

Finances should never be a reason for a Scout not to attend camp. Crossroads of America Council offers a Campership program where recipients can be awarded up to 50% of the early summer camp fee in exchange for performing an age-appropriate service project.

Applications can be found at www.crossroadsbsa.org/174 (please note this web address may change in early 2019)

For Summer Camp, applications must be submitted by March 1 of the camp year to be considered for the full value of the award. Requests submitted after March 1 of the camp year will still be eligible to receive a reduced level of support. Applications for other camping programs may be submitted at any time. Contact the council camping office by phone at (317) 813-7067 or by email at camping@crossroadsbsa.org for more information.

Refund Policy

Crossroads of America Council Summer Camp fees are non-refundable.

An individual Scout may transfer their registration and fees paid to another session of camp. An individual Scout's reserved space and fees may also be transferred to another Scout within your unit, not already on your roster. An individual leader's reserved space and fees may be transferred to another leader within your unit, not already on your roster. If an individual space is not filled, fees paid towards that space may not be applied towards the unit's final fees.

Refund requests for reservations canceled due to weather are determined by the standards of hazardous weather training or any government declared state of emergency.

For those Scouts or leaders who cannot attend summer camp due to medical reasons, the Crossroads of America Council Refund Request form must be submitted, and a doctor's note forwarded to the council office. Doctor's statements can be emailed to camping@crossroadsbsa.org; faxed to (317) 813-7126 attention Camping Department; or mailed to Camping Department, 7125 Fall Creek Road North, Indianapolis, IN 46256.

The \$50 non-refundable Scout deposit will be retained in all cases. Due to contractual obligations, after June 1 the non-refundable amount increases to \$100 per Scout.

The Refund Request form AND doctor's note must be received on or before September 1 of the camp year. No refund requests will be considered if received after September 1 of the camp year. Contact the council camping office by phone at (317) 813-7067 or by email at camping@crossroadsbsa.org for more information.

Mailing Services

INCOMING MAIL - Any mail sent to campers will be distributed during meal times. Please address any mail as follows so that we can ensure delivery:

CAMPER'S NAME, **PACK NUMBER**
SESSION NUMBER
CAMP KIKTHAWENUND
7651 W 500 NORTH
FRANKTON, IN 46044

OUTGOING MAIL - An outgoing mail service is also provided. Simply drop off outgoing mail at the Camp Office.

Health Lodge

The Health Lodge is located near the main camping area. A qualified Health Officer is on duty 24 hours a day. While camp is in session routine medical needs, and daily medical care are provided during the day. If necessary, a staff member or unit leader will accompany patients to a nearby medical facility. Should a Scout or leader require hospitalization, the Camp Director will notify his parents or family. Upon check-in, please notify the Health Officer of any medical conditions or medications being taken by youth and adults.

Counseling and Religious Services

Our camp staff will lead an interfaith chapel service on the evening of the first full day. Units and campers are always welcome to take part in leading the service. If your unit would like to be involved, stop by the office to talk with the Program Director or a Commissioner. A Scout is reverent! The Camp Director, Program Director, and Commissioners are available throughout the week to provide counseling or other services requested by campers.

Lost and Found

A lost and found is maintained at Camp Office. If you have lost an item, check there first. If you have found an item without an owner, bring it to the office so that we can try to find who it belongs to. Any unclaimed items are donated within a month after the end of the summer.

Trading Post Services

Camp Kikthawenund features a Trading Post fully stocked with a variety of camp supplies. Here, Scouts can obtain products such as Scouting literature, Scouting equipment, handicraft supplies, toiletries, water bottles, clothing, souvenirs, camping gear, and refreshments. The Trading Post will be open beginning the first night after the opening campfire. Throughout the session the Trading Post will be open on a regular basis during program times. On the last morning, the Trading Post will be open for the convenience of parents picking up their Scouts until all units depart. Check the program schedule for specific times.

Spending Money

We recommend that spending money be brought for purchasing snacks and camp souvenirs. Approximately \$68 is the national average of spending money brought to camp. How much to bring is a personal decision between the youth and their parents. To help determine how much money to bring to camp, a general price guide is below (prices may be different at camp).

Pocket Knives \$10-\$30	Camp Sweatshirts \$30	Drinks \$1-\$4
Camp Souvenirs \$1-\$50	Camp Hats \$10-\$20	Snacks \$1-\$5
Camp T-shirts \$12-\$25	Camp Water Bottles \$10-\$15	Candy \$1-\$3
Toys & Games \$5-\$25	Camp Equipment \$1-\$50	Ice Cream \$1-\$5

We recommend that a unit leader or another adult serve as the “banker” during the session. When a Scout needs money, they can check it out from the “banker.” This keeps the Scout from losing their money and can serve as a method of teaching thriftiness. Cash and credit cards are accepted at the Trading Post.

Meal Service

Camp Kikthawenund employs a professional food service management company to provide quality food for Scouts and leaders in the Steak-n-Shake Dining Hall. A licensed dietician has reviewed the menus for balanced nutrition. Eating all the food provided at each meal will ensure that the scouts have the energy to enjoy camp to its fullest. Each unit will be asked to provide a “hopper” for each meal service.

Camp Policies

Medical Information

These policies are set by the National Council of the Boy Scouts of America and the State of Indiana. Compliance with the policies, regarding the completion of the health forms, is **mandatory** and necessary to maintain the admirable safety record of the Boy Scouts of America. This can be particularly difficult to deal with as available options are limited once you have arrived at camp. Please help us avoid these awkward moments that can diminish the memories of an otherwise worthwhile experience.

The [BSA Annual Health and Medical Record \(form # 680-001\)](#) is required for each youth and adult participant. Part C is not required for camp 72 hours or less. Upon arrival at camp, a copy of a current medical form for each youth and adult must be turned in to the medical staff. **An attached photocopy of the camper's insurance card must also be provided as directed by Part A.** In accordance with state law, medical forms cannot be returned, as they must remain on file for two years. Due to federal regulations (HIPAA), copies of these health forms should not be faxed to Camp Kikthawenund. Copies should also be kept by the pack or parents.

Medication Policy

All medication brought to camp by a person under 18 years of age shall be kept in a locked unit or in the health lodge and shall be administered by a qualified adult leader designated by the camp health supervisor, except EpiPen's, inhalers, an insulin syringe or other medication or device used in the event of life-threatening situations may be carried by a camper or staff member. Each camper 18 years of age or older may take responsibility for the security of his or her personal medication provide it is store in a locked unit.

All medications brought to camp by a camper shall be in containers that are clearly labeled to include the name of the camper or staff member, the name of the medication, the dosage, the frequency of administration and the route of administration. All medication prescribed by a physician shall, in addition, be labeled to include the name of the prescribing physician, the prescription number, date prescribed, possible adverse reactions, the specific conditions when contact should be made with the physician and other special instructions as needed.

When a medication is administered to a camper, the qualified adult leader designated by the camp health supervisor shall make a record of the action in a bound book provided by Camp Kikthawenund, indicating the following information: name of the person receiving the medication or treatment; ailment; name of the medication or treatment; quantity given; date and time administered; by whom administered; and comments.

Insurance

All youth at Camp Kikthawenund must be registered with the Boy Scouts of America. Registered members of Crossroads of America Council are covered by the Council Accident and Insurance Plan. Please keep in mind that this coverage is not intended to replace or diminish the need for family health insurance. BSA insurance provides supplemental coverage only. Special conditions are as follows:

1. Injuries or illness sustained prior to arriving in camp, requiring attention during your stay, are not covered.
2. Every injury or illness must be reported to the Health Lodge immediately to be covered.
3. Medical expenses incurred after camp because of an illness or injury sustained at camp are covered. These must be reported to the Council Service Center for clearance with the insurance provider.
4. Out of council units should check with their home council office to determine plan limits.
5. Unregistered youth, adults, and visitors are not covered by the Crossroads of America Council accident insurance.

Fires and Firewood

Campfires are allowed only inside the metal fire rings in each campsite. Do not create new fire scars. Fires may be prohibited due to weather conditions. Camp Kikthawenund has an endless supply of firewood for use during your stay. Keep firewood stacked neatly to minimize safety hazards and to allow for grass to be mowed. Let the staff know if you need more firewood delivered to your campsite. **Do not transport firewood to or from Camp Kikthawenund.** Doing so may be illegal and is detrimental to the ecosystems at camp and at your home. Please see the Indiana Department of Natural Resources website (<https://www.in.gov/dnr/entomolo/6413.htm>) for more information on firewood regulations.

Service Animals

Camp Kikthawenund allows service animals in accordance to the rules of the American Disability Act which states, "Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability. **"Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA."** (and are not allowed in camp). Please see the U.S Department of Justice, ADA website (https://www.ada.gov/service_animals_2010.htm) for more information.

Arrival at Camp

ARRIVING AT CAMP – Plan to arrive between 12:00 and 3:00 PM on your first day. Please do not arrive before 12 PM, because the staff will not be available to assist you with check-in. Arriving later than 3 PM will not allow ample time for check-in, swim checks, and campsite setup.

Enter camp through the main gate at the north entrance. You will pass the Camp Ranger's house and continue to the parking lot. Park your vehicle in the lot and unload your camping gear. In the parking lot, staff members will be available to begin your check-in process. Personal vehicles are strictly controlled within main camp.

BUSES – If arriving by bus, please contact the camp director at least 48 hours prior to arrival. Buses should enter through the main entrance and use the large vehicle turn around loop in front of the dining hall.

CAMPSITE HOSTS – Staff members will be available to begin your check-in process at 12:00 pm. A designated staff member, called a Campsite Host, will approach you in the parking lot. These trained staff members will lead your unit through the day's events and will also perform daily visits and handle day to day needs. Get to know your Campsite Host. He or she is your go-to staff member throughout the day.

CHECK IN AT THE WELCOME SHELTER – Once your unit arrives at the parking lot and meets your Campsite Host, an administrative staff member will meet with the designated leader to discuss check-in, answer questions, and collect any additional forms.

TOURING CAMP - Once your entire unit has gathered with all their equipment, your Campsite Host will lead your unit from the parking lot to your campsite. Along the way, the Campsite Host will talk about points of interest in camp. Have the newest Scouts nearest to your host so that they can hear and see what's going on!

CAMPSITE SETUP, MEDICAL CHECK IN, AND SWIM CHECKS – Your Campsite Host will guide the unit through camp to the unit's campsite. Your unit will have the rest of the afternoon to set up the campsite. Your Campsite Host will be available all afternoon to help with setup, answer any questions, locate any materials or equipment you need, and get to know your Scouts. Once basic setup is completed, your Campsite Host will be available to lead a tour of camp for anyone who wants one.

As part of your tour your designated unit leader will meet with the camp health officers to complete the medical check in process. Every camper (adults and youth) will need to have their completed medical form and a **copy of their medical insurance card** to turn into the health officer. At this time, any medications except for fast-acting, emergency medications (such as Epi-Pens or Inhalers) will be documented and secured in the medication lockbox provided by the camp. One adult leader in the campsite will be given the key to the lockbox and will be instructed by the health officer on proper procedures for dispensing and documenting medication throughout the week.

When the unit is ready to complete the swim check process, the campsite host will give instructions and be available to answer any questions. Everyone who will be attempting a swim test at camp should change into swimsuits before

leaving for the waterfront and should bring a towel. At the waterfront, you will receive a buddy tag, complete a swim test, and receive a safety orientation from the waterfront staff. If your unit needs to complete swim tests at camp, it is imperative that you make it to the pool as soon as possible in the afternoon to avoid running out of time.

LEADER MEETING - At the first night adult leader meeting, camp information such as camp policies, program schedules, and other information will be discussed. Handouts with the schedules will be available. This meeting will be held at the welcome shelter. The Camp Director, Program Director, Business Manager, Camp Ranger and other key staff will be available at that meeting to answer questions and help meet any unit needs

OPENING CAMPFIRE - All packs should plan to attend the opening campfire conducted by the staff. Your campsite host will lead you to the Fire Bowl. Afterward, the Trading Post will be open for sales! Stop by to view the latest merchandise available

Activities, Events, and Programs

Why is this area mostly blank?

Camp Kikthawenund is excited to announce that in addition to our upgraded facilities we are also revamping our program. You can expect many of the same exciting programs that Scouts look forward to every summer with a renewed focus on fun and advancement.

While we are not yet prepared to provide a full schedule and list of activities, we can inform you that this year, your Scouts will be assigned to rank specific tribes at camp. **This means that you will not be moving around camp as one Pack.** You will be moving around camp by den, with dens of the same rank from other packs.

Why the change? It all started with feedback directly from you. Making this change allows for a truly rank specific program. This means more advancement opportunities, more adventure for older Scouts, and more fun. It also means that each and every year at Adventure Camp will be different for returning Scouts.

Every year will be new and every year will be different as your Scouts progress through Adventure Camp at Camp Kikthawenund.

Check www.crossroadsbsa.org and the Camp Kikthawenund Facebook page for future updates.
