

## You are invited to join the Auto Technician Exploring Program sponsored by Dubuque Auto Plaza!

Dear Student:

Dubuque Auto Plaza BMW-Nissan-Hyundai invites you to participate in their Auto Technician Exploring Program. Through this program students will learn about the daily life in this career, the training and education necessary to enter this field, and be given hands on experience working with tools and equipment used by auto technicians. Exploring is a nonprofit which offers career exploration programs to young men and women ages 14-20 that have completed the eighth grade.

Come and join the Dubuque Auto Plaza BMW-Nissan-Hyundai Auto Technician Exploring program on **Monday, December 1<sup>st</sup>, 2014 from 6:00 - 7:00 p.m.** at Dubuque Auto Plaza, located at 600 Century Dr. in Dubuque. The annual registration fee for this post is \$25.00. Students will receive a full schedule on at the first meeting, but meetings will be on Monday nights from 6-7 p.m. Students will receive a tool box on the first night. Each session they attend, they will learn valuable skills and even be given tools to fill up their tool box. How's that for career preparation?

Let us know you are planning to attend! Please **RSVP** to Laura Cornelis with the Exploring Program at (563) 556-4343 or email at [laura.cornelis@scouting.org](mailto:laura.cornelis@scouting.org). **Please complete the registration form, make sure it is signed by a parent at the bottom, and mail it along with your annual registration fee of \$25.00** to Exploring at P.O. Box 732, Dubuque, IA, 52004. Tell your friends about the program and have them get in touch with Laura Cornelis regarding registration.

Exploring can be an informative and fun way to help you prepare for the future!

Sincerely,

*Doug Warthan*

Dubuque Auto Plaza, President

Exploring is a co-ed career-exploration program open to students ages 14 – 20 who have completed the eighth grade. Exploring is an extension program offered through the Northeast Iowa Council, BSA.
