Scouting Spirit Recognition

This is your Pack, Troop or Crew's opportunity to recognize one amazing Scouter at the Scouter Appreciation Dinner. This recognition is for the volunteer who shows the most Scouting Spirit in his or her unit. This Scouter should be someone who is always there for the unit showing commitment to Scouting's ideals and timeless values. The recipient of the Scouting Spirit Recognition may be a new or veteran Scouter.

*Winning recipients who are in attendance at the Scouter Appreciation Dinner will be recognized and receive a Scouting memento.

Pack, Troop and Crew Committees will be responsible to review all of their unit's nominations and turn one winner into the Scout Service Center no later than February 1, 2017.
