Dear Future Explorer,

We understand from the results of your high school student career interest survey that you have an interest in the field of architecture and engineering. I invite you to become a member of the Architecture and Architectural Engineering Exploring program. The purpose of the Exploring program is to provide you with information about careers in building design, including architecture and engineering. We will answer any questions you may have regarding these professions and provide information on design principles and practices.

FEH Design will host the first meeting on **Tuesday, October 16th**. At this meeting we will acquaint you with the Exploring program and briefly go over general architecture, phases of building design, sustainable design, and engineering systems in building design. This program will continue for 4 more sessions in October (10/23, 10/30) and November (11/6, 11/13).

**Architecture and Architectural Engineering Exploring Night**

**Date:** Tuesday, October 16, 2018  
**Time:** 4:30 – 6:00 p.m.  
**Location:** FEH Design | 951 Main St | Dubuque, IA  
**Cost:** $40.00 (payable to Exploring)

**Spots are limited, so please let us know if you are planning to attend.** To attend, please complete the registration form; make sure it is signed by a parent; and send with your registration fee of $40.00 to:

   Exploring | PO Box 732 | Dubuque, IA 52004

Please RSVP and direct any questions to the Exploring Program Coordinator, Melissa Neuhaus at 563-556-4343 or send an e-mail to melissa.neuhaus@scouting.org.

Feel free to invite your friends that might be interested in this program too!

Sincerely,

Bryan Blair

Exploring is...
a unique career exploration program for young men and women ages 14-20. It provides students with an opportunity to learn about a wide variety of career fields and network with professionals already working in those fields. You get hands-on experience to determine whether or not a particular career field is right for you. You develop valuable networking contacts with professionals working in your selected career fields, and you get to know other teenagers and young adults sharing your same interests and aspirations.

Choosing a career path is a major decision. Exploring is can be the first step in identifying career possibilities while having fun in an exciting and informal environment. Try out a few interest areas, and start networking by taking part in some great opportunities! You could be riding patrol with a police officer, broadcasting on live KAT FM, working with a robotic specialist at John Deere, or creating a cooking a meal at a nice restaurant, plus so much more!

WHAT IS EXPLORING™
