

SCIENCE OF LEVERS

Take part in exciting activities focused on the Science of Levers!

- **Kickball**
- **Bean Bags**
- **Horseshoes**

Activities fulfill some requirements for the NOVA Award (for Wolves, Bears and Webelos). All Cub Scouts are welcome!

Packets will be provided to include all requirements for completing the NOVA Award, including items not covered by this event.

VITAL INFORMATION

DATE: September 19, 2019

WHERE: Eagle Point Park Open Air Pavilion

TIME: 5:45-7:30 PM

REGISTRATION: 5:30 PM

COST: \$5 Per Participant

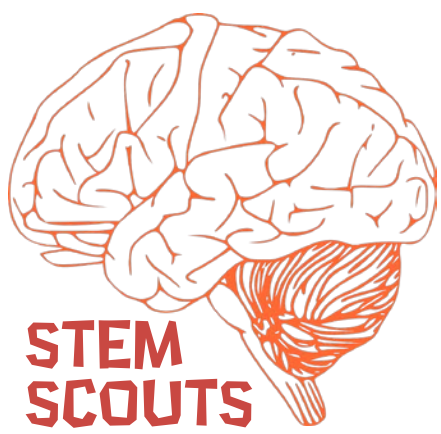

PARK ENTRANCE FEE: \$1 per car
(or use back entrance by fish pond to walk in for free)

WHO: Any youth grades K-4

TO RSVP: Call the Council office 563-556-4343 or check scoutsiowa.org.

Scouts must come with a parent. Scouts new to STEM activities must fill out a new Scout application at the event.

If you are not a current Cub Scout, you can register at the event.
* *(See STEM Pack info below)

STEM PACK INFORMATION

- The Northeast Iowa STEM Cub Scout Pack is open to all youth.
- Registration invites you to exclusive events facilitated by the Northeast Iowa Council STEM Committee.
- Approximately six to eight events will be planned during the year.
- If you are already registered in another Cub Scout Pack, there no registration fee; the only fees are those associated with specific events - participate in the ones you like.
- If you are not a current Cub Scout, you can register at the event. (Cub Scout registration carries an additional fee.)
- A new Scout application must be completed by a parent or guardian at the first event.
