Fillmore	Ben	Communications	all day	all day		Please read merit badge booklet. There are two requirements that cannot be done in class unless we use a creative solution. #5 is attend a public meeting where several points of view are expressed. This can actually be done by watching a city council meeting online (Hastings has all of theirs recorded). It is not live, but it still allows them to do the requirement. #8 is plan a court of honor and serve as the master of ceremonies. Planning the court of honor is easy, but serving as master of ceremonies is something that can only happen in the troop unless we have each boy present his court of honor in class as though he were the master of ceremonies. Unless these two are done as a pre-requisite, we'll use this creative method.
