Indian Winter 2020

Will offer an opportunity for Arrowmen across the section to participate in focus areas including American Indian crafts and OA Inductions and emphasis on women’s regalia. The American Indian crafts will focus on learning about proper ceremony regalia for both men and women. The construction and maintenance of individual regalia parts from roaches, chokers, breast plates, breach cloths, leggings and moccasins to some of the less known. We will also cover regalia ranking through the use of accessories among the principal ceremonialist.

Facilities

There will be indoor housing, meals, training, recreational opportunities and much more.

Cost

The event fee is \$35.00, but there may be additional cost depending on any craft projects. Once you register we will send you a break-down on the cost for craft kits so you can plan accordingly.

Transportation

Any expense to you getting to and back from the event is not included in these event fees.
