**The Fundamentals of Training** course is the first phase of the three-part train-the-trainer continuum (T3, or T-Cubed)

- Introduces teaching techniques and skills to new Scout trainers
- Helps Scouters, regardless of experience, present effective training.
- “freshen up” the skills of current BSA trainers.
- The course is intended for both youth and adult trainers.

**The Trainer’s EDGE** is the second part of the continuum.

- Provides and helps develop the platform skills of a trainer
- Raises the level of skill a trainer brings to the staff experience.
- Intended to “train the trainer” on behaviors and resources while offering hands-on experience in methods and media.
- Required for all Wood Badge and NYLT staff.
