A Note from the Event Team

Welcome to the Clash Of The Patrol Boxes! This event is designed to challenge the cooking skills as well as get Scouts to think outside the box.

While this event will not have any Merit Badge instructors around for the Cooking Merit Badge, it might be a good idea for a Scout to take a look at the requirements book for the Merit Badge and see how many we hit upon. It just might be worth your time to reach out and find a Merit Badge instructor near your unit.

Since this weekend is not about completing a merit badge, what is it about? It's about exposing the Scouts to new menu ideas so that campout food gets extended beyond hot dogs, hamburgers, and ramen noodles.

At the end of an episode of Chopped (Season 24, Episode 5), Chef Michael Psilakis said, "Use food as a vehicle to create memories and I think you'll find it's going to be amazing."

At the end of the weekend, we hope that everybody has made amazing new memories and enjoyed the chance to sample some new and wonderful dishes!

We look forward into compiling all the recipes into a wonderful new cookbook for the units to work from.

See you in the arena!

Sincerely,

Your 2016 Clash Of The Patrol Boxes

Program Payment & Refund Policy of the Michigan Crossroads Council

Statement

The Michigan Crossroads Council provides Council programs, high adventure camps and other camping experiences to the Scouts and leaders in its service area. These opportunities require Council staff to send deposits to the sponsoring camp, acquire needed supplies and produce mailings to campers and others so the Council sponsored experiences are rewarding and convenient for the Scouts and leaders in our Council. Fees are usually paid in advance of the event and to ensure the Council can provide the best service to the Scouts the following refund policies will apply. Participants are not considered registered for any event/activity until payment in full has been received.

Event/Camping Fees

Event fees are final except in a limited number of circumstances where a refund may be granted. Refunds may be given only if the following circumstances are brought to a Council employee's attention. Individuals/Groups that cancel their reservations 30 days or more prior to the event date will receive a refund of fees paid less a 15% administrative service charge. No refunds will be given for cancellations made less than 30 days prior to the event date. Any/all refund requests must be made within 30 days of the event date. No refunds will be given for any Scout not attending Boy Scout Summer Camp who was listed & paid for on the May camp roster. Alternately, Boy Scout Summer Camp fees may be transferred to another Scout or leader attending. No pro-rated fees will be given to Scouts wishing to attend a partial week at Boy Scout Summer Camp.

The registered participant has an illness preventing participation in the event and has a signed statement from a medical doctor or healthcare practitioner. The written order must be provided to the Michigan Crossroads Council, 137 S. Marketplace Blvd., Lansing, MI 48917.

In the event of the death of an immediate family member (parent, grandparent, brother, sister or anyone else living in the house with the participant). The Council will consider other deaths, which may affect the participant, on a case-by-case basis. Only an employee of the Michigan Crossroads Council may authorize a refund for a Council sponsored event.

Any refund of monies for the event is then based on the money paid to the Council minus the deposit and any money sent to another agency or company for the event. The remaining money is refundable as long as the participant meets the above requirements. Any money that has been sent to another agency or company is considered issued and not refundable.

Any event that does not have a deposit, but has an event fee, will be assessed a 15% service charge before any refund is issued. All remaining money is refundable. Again, the participant must meet the above requirements.

Processing these refunds for summer camp may not take place until after the camping season due to the review process. Once approved it takes between two to three weeks for a check to be run and mailed.

Deposits

Deposits are non-refundable. The following will apply for any deposit made for a Council sponsored program.

Deposits are not refundable. Any cancellation, once the deposit has been sent to the Council, will be forfeited.

Deposits may be transferable to another participant that takes the entire slot for that event.

Late Fees

The Michigan Crossroads Council and all approved event committees have the opportunity to set late fees or discounts for events. Late fees will be announced with the original posting for the event. Late fees paid to the Council are not refundable.

Waiting Lists

At times the Council maintains a waiting list. If the participant is not selected to attend the event, all waiting list money will be refunded at 100%, including deposit money.

Cancellation by the Council

If the Michigan Crossroads Council or National Boy Scouts of America or any agency that has contracted with the Council cancels an event, the Council will issue a full 100% refund (including any Deposit Money).

Applies

These policies only affect the Michigan Crossroads Council, Boy Scouts of America; its committees and districts. This policy is not transferable to charter partners or individual units (Packs, Troops, Teams, Crews and Posts) of the Council.

Examples

A Scout cannot attend an event. Cost of event is \$20. The refund would be \$20 - \$3 (15% service charge) = \$17 refund if notification was made at least 30 days prior to event. No refunds made for notifications made less than 30 days prior to the event date, however, the Scouts' event fee may be transferred to another Scout.

The Scout's grandmother dies and thus is unable to attend a Philmont Trip. Philmont price is \$750. The refund would be \$750 - \$100 (deposit) - \$400 (Philmont Fee) = \$250 refund.

Florida Sea Base cancels trip due to shark attacks. Total cost of the Trip \$1,000. The refund would be \$1,000 no matter what. The Council will take the liability for the plane tickets and any other expenses. All money, even deposits, are refunded.

11. Liquid fuels, under adult supervision, may be used for cooking out of doors.
12. Climbing, cutting or disfiguring of standing trees or shrubs is prohibited.

They are not to go cross country to a campsite perimeter or take shortcuts through a Unit's campsite. Our campsites are our homes for the weekend, so be respectful. If you want to enter a campsite, stand at the entry and shout, "Permission to enter." If the response is, "Permission granted," then enter. Otherwise, do not enter. When you leave a site, ask permission to do so. Show some respect and courtesy and you'll probably receive the same in return.

Checking Your Score

All Scout Patrols and Adult Teams will be issued a Competition ID number at Event Sign In. See "Troop Information & Event Contact Card" on page 8 for an example. Scouts and Scouters with a smart phone and a CyberChip card (See "General Rules of the Event" on page 16) will be able to follow the QR code or URL on their cards to see their score in real time (until 6pm on Saturday).

Don't have a smart phone or a CyberChip card? No problem. We'll have a screen in the Weatherwax Building (H15 on "Site Map" on page 13) that will show the same score information.

At Check Out on Sunday, you will be given a printout with your event patches that lists all of your scores from the weekend for your unit.

Crack the Cracker Game

Using only your mouths, each Scout runs up and cracks one cracker that's hanging on his patrol's string, then returns and tags the next scout.

Kim's Game

Scouts gather around a board to observe and memorize the items on it and their placement for 30 seconds. How many can you get right?

Pizza Pan Toss

How many hanging pizza pans can you hit with "ingredients" you toss at them?

Goey Gobble Game

Patrols will see how many marshmallows they can eat on a string with their hands behind their backs. Anything on the ground must be eaten or you'll lose points!

Kettle Catapult

Launch "ingredients" from a catapult into a kettle.

"Root Beer" Tapper

Slide water containers down a plank to fill a larger container.

Boil Boil Boil

How fast can you boil water over a wood fire?

What's That Smell?

Properly identify a variety of herbs and spices in containers.

Lunch Bag Relay

Run up, blow up a paper bag, pop it, run back, and tag off the next person.

Birthday Cake Race

Each person of a patrol will run with a candle, keeping it lit, to a destination, and back.

Spoon Race

Balance an egg on a spoon and make it through a predefined course.

Poison Peanut Butter

Can you get everyone safely across the "poison peanut butter" using only bandannas as safety zones? Note: No real peanut butter was harmed in the making of this activity.

Milk Jug Hockey

Each player gets a scoop made from a 1-gallon plastic milk jug with the bottom cut out and you must try to advance a tennis ball into the opponents' goal.

Pantry Challenge

Each Patrol will draw a recipe from our collection. You will 60 seconds to shop for ingredients in our pantry, and then 30 minutes to cook the dish. You will be judged against a reference plate prepared by our staff cooking team. You are also responsible for clean up after your round.

Clash Of The Patrol Boxes

This event is designed to give Scouts and Scouters a chance to show off their cooking skills by preparing their best dish.

All cooking and prep MUST be done in the competition arena.

What sort of dish?

You can make your choice of one of the following using a non-copyrighted recipe:

- Breakfast
- Lunch
- Dinner
- Dessert

Who competes?

Scout patrols will be competing against Scout patrols.

Adult teams will be competing against Adult teams.

Are on ground fires allowed?

While most of the camp sites have a fire pit, our cooking arena does not have any. Therefore, on-ground cooking fires are **NOT** allowed in the cooking arena. Please be prepared.

What do I have to turn in before the Clash?

All patrols and teams are required to submit their recipes for inclusion in the event Cookbook.

- An electronically submitted typed recipe prior to the event with an image of your patrol / team emblem will earn the patrol / team +25 points on their weekend overall score.
- A typed recipe submitted at Unit Sign In on September 30, 2016 will earn the patrol / team +10 points on their weekend overall score.
- A hand written recipe submitted at any time prior to judging will penalize the patrol / team -25 points on their weekend overall score.

Each patrol / team will be issued a single plate at the Safety Briefing on the afternoon of October 1, 2016. These plates will be numbered. This number is how your submission will be tracked for scoring. This number will also be used to make sure the presentation picture (taken by a staff member) is matched up with your recipe in the cookbook.

Mandatory Safety Equipment

All patrols and teams are required to have the following items in their assigned competition spot:

- Either a fire extinguisher or box of baking soda
- Patrol First Aid Kit

Lack of this safety equipment will result in an automatic disqualification from scoring and best of show. Sharing between patrols and teams is not allowed. First Aid Staff or Quartermaster Staff will be doing random inspections during the cooking period to verify compliance.

How much food do I have to cook?

- 1 presentation plate for judging
- 30 3 ounce portions for the other Scouts to sample for dinner

What will I be provided?

You will be provided with:

- 1 numbered plate, approximately 10 inches in diameter
- 30 3 ounce cups
- An assigned outdoor cooking spot, approximately 12' x 12'

Spot assignments will be available by the start of lunch on October 1, 2016

How do I get my stuff to my spot?

There are two ways to move your cooking equipment.

1. Scout Patrols camping South and West of the Camp Master building (M12 on the "Site Map" on page 13) can pick up your stuff from your camp site and walk it down to your assigned spot.
2. Scout Patrols camping North and East of the Camp Master building (M12 on the "Site Map" on page 13) and All Adult Teams can ask the Quartermaster to deliver their equipment to the Cooking Arena. All equipment to be picked up is expected to be at the road edge of the camp site by 1:30 PM. All equipment **MUST** be clearly labeled with each Patrol's Competition ID Number (Found on the "Troop Information & Event Contact Card" on page 8)

Your equipment will also be conveyed back to your campsite during the cleanup period after the Clash Of The Patrol Boxes.

The Quartermaster will be available for scheduling pickup services during the Friday night Cracker Barrel and Saturday at morning Flags.

All arrangements are to be finalized by the time the morning activities start.

Note:

Use of un-powered wagons might be a useful solution to the challenge of relocating equipment.

How will it be scored?

Clash Of The Patrol Boxes Scoring Rubric

Category	Point Value	Notes
Proper Quantity	10	Does it look like a full portion?
Presentation	10	Does it look good on the plate?
Palatableness	10	Does it taste good? Do you want more?
Appropriate Drink	10	Did they give you one or offer one?
Richness of Flavor	10	Was it not bland?
Maximum Total	50	

Any plate earning at least 45 points (90%) from the "Clash Of The Patrol Boxes Scoring Rubric" will be eligible for our "Best of Show" competition.

Prizes? You mean there's prizes?

The top three Scout plates and the top three Adult plates in each category will receive a decorated apron for their efforts.

Also, their recipe in the cookbook will have one of the graphics below added to it.

3rd Place: Bronze Palm

2nd Place: Gold Palm

1st Place: Silver Palm

The best plate in each category that is judged as "Best of Show" will also receive a ribbon graphic on it in the cookbook.

Best of Show Judging

At this point, you've seen two mentions of "Best of Show" and you're probably wondering how will it be judged. It will be simple. Any plate earning at least 45 points in the normal judging from the "Clash Of The Patrol Boxes Scoring Rubric" will be set aside (kept warm or cold as needed). After all of the patrols / teams have been judged, or time expiring on judging, all of the judges will gather to discuss the plates that have been set aside. As a group, they will consider which plate, in their opinion, is the best in the breakfast, lunch, dinner, or dessert categories.

Potluck Dinner

The Saturday night Dinner is intended to be all Scouts and Scouters going around the Cooking Arena and sampling the dishes prepared by others. They will need their own fork and spoon.

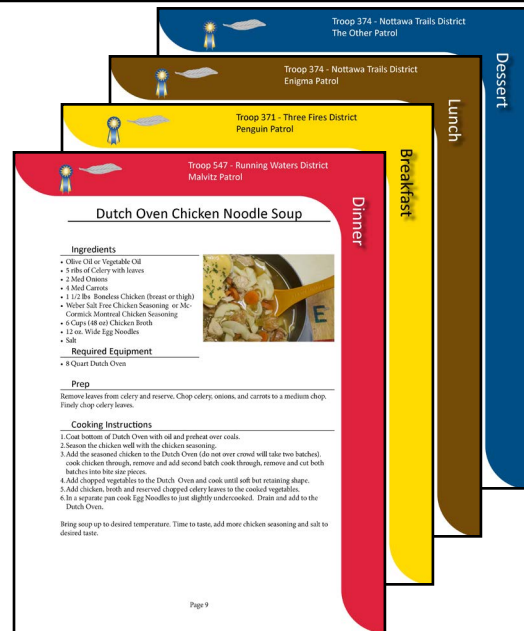

Waving the Flag

While yes, your competition arena sites are small (approximately 12' x 12'), we need to know who's who. Therefore, each Patrol or Team is asked to pioneer together a small flag. We envision a small tripod, spreading out to the corners of a 2' x 2' square. This tripod would then support a riser, no more than 6' tall. On this riser should be a sign with your Troop and Patrol information.

This flag will be placed on the aisle side of your competition site and will be erected during the afternoon cooking competition time.

The Cookbook

Every participating Unit will receive a PDF copy of the finished cookbook via electronic download in the month after the Camporee. This cookbook will contain all the submitted recipes grouped by meal.

In order to ensure a quality cookbook, each recipe needs to have the following information in it :

- Ingredient list with measurements
- Equipment needed (ex: Dutch oven, wok, Jet Boil, stock pot, personal mess kit)
- Clear step by step instructions

The reason for the restriction on using non-copyrighted recipes is because our intent is for printed editions to be on sale in the Scout Stores of the Field Service Council.
