Saturday, April 29, 2017

Please place your items on your doorstep by 9am

Through this Great Lakes FSC hands-on charitable service project, St. Vincent dePaul – Detroit assisted last year over **300,000 individuals & families** by offering food and clothing assistance, energy assistance, dental care, camp experiences for children and much, much more.

Over the past two years Scouting for Clothing Drive, **Scouts collected over 38,000 pounds of clothing and shoes.** AWESOME JOB!

The revenue from clothing and shoes that are collected go towards funding our many charitable programs that we offer. People in need can also come into our stores with referrals and receive free clothing, shoes, furniture and household items. This 2017 spring program, on **Saturday April 29, 2017**, will feature collection sites at eight St. Vincent dePaul Thrift Store / Donation Center locations.

Share your pictures and stories on your favorite social media platform using the hashtag #Scouting4Clothing.

Hey Scouts! How many pounds can you collect this spring?

Scouts come in all shapes and sizes. But we could use a few more mediums. And smalls. And larges. And, well, you get the idea. So do your best. Help a Scout that can't afford a uniform by bringing your old one - no matter the size, condition or vintage, and we'll get it fit for duty. Together, we can ensure a uniform for every Scout.
