Electronics Policy: To maximize self-discovery and critical reflection during the course, we create an environment free of electronic devices. Please leave these items at home. The staff reserves the right to remove these items if they appear and interfere with the integrity of the course. Phones will be available (via the staff) for emergency use only.

Uniform Policy: Learners are expected to be in full BSA uniform, as determined by their unit. Learners will spend a good deal of time in both the field uniform (class A) and the activity uniform (class B). Minimum of one NYLT t-shirt is included in the registration fee.

Scheduling and Visitation: Check-in is Sunday, June 16 from 10:00-10:30am. Dismissal is Friday, June 21 at 8:00pm. Both will occur at the Greilick pavilion. Learners should not expect to be able to arrive late or leave early. Learners should plan to attend the entire course, and will not be able to leave the site at any point during the course. If you expect to have any conflicts, please contact the course director as soon as possible. Due to the nature of the program, learners will not have time to visit with family during the course.

Unit Leader Briefing: Please be sure that your unit leader is aware of the Unit Leader Briefing on Friday, June 21 at 4:30pm at the Greilick pavilion. They are invited to talk to the staff about the course, and to join us for dinner and the closing ceremony.

Patrols and Sleeping Arrangements: NYLT is a co-ed program. We adhere to all BSA youth protection and qualified adult leadership policies and procedures. Male and female youth members will be housed in separate tents. Learners are sorted into patrols for the course; patrols are mixed-gender, and each patrol will have its own campsite. Learners will not be in a patrol with anyone from their own unit.

Expectations: All learners and staff contribute to the NYLT environment and are expected to live by the Scout Oath and Law. NYLT is a safe place in which to learn and practice leadership skills, contribute to the success of a team, and participate in candid and respectful discussion. The course leadership reserves the right to remove anyone who is unable to meet these standards.
