

Great Lakes Field Service Council

Webelos Aquanaut

Swim Night – Spring 2019

What is the Webelos Aquanaut Swim Night?

The Swim Night is a chance for your Webelos scouts to earn the Webelos Aquanaut Badge. The Council Activities Committee will host the event at Warren Mott High School on March 29. Stations will be set up to allow Webelos Leaders to pass their scouts on the Aquanaut Requirements.

Who: Webelos Scouts

When: March 29, 2019, 6:30 - 9:00 PM

Where: Warren Mott High School Pool
(3131 E. 12 Mile Road, Warren, MI 48092)

Cost: \$14.00 for each participant

How do I register my scout?

All registrations are handled by your Webelos Leader, we do not accept individual registrations and all participants must be preregistered.

Webelos leaders can register their scouts by going to <https://scoutingevent.com/272-26846> and clicking on the registration link to use the council's online registration system.

Important things to remember about registration:

- You must pre-register. No walk-ins will be allowed.
- You must register each scout attending the program.
- Make all registrations through your Pack. No money can be collected at the pool
- There will be 65 spots. Once the spaces are full no more registrations can be taken.
- Registration is on a first come first serve policy and go until all the spots are full.

This is not an instructional course, all participants must be able to swim and do the requirements. Scouts should practice prior to attending to ensure that the scout can pass the requirements.

Important information To Remember

- * The Swim Program will start promptly at 6:30pm (arrive at 6:15pm to change) and end approx. 9:00pm
- * Scouts are not guaranteed to earn the badge at this event.
- * **The Webelos Leader must be present to pass the scouts off on the Badge**
