ICE AGE, Survival of the Tribes

PLEASE NOTE: Patrols should plan on having their lunches and supplies for the day. The lunch break is short and Scouts won't have time to leave the Klondike area, eat and get back. **Each Patrol should have one small tarp and one flint and steel with them.**

SLINGSHOT: Each tribesman will try their hand at helping the Patrol bring down their dinner.

FIREBUILDING: Patrols will compete to construct a fire substantial enough to prepare food for their Tribe - **bring flint and steel, one set per patrol.**

CAVE PAINTING: Recreate the image of an authentic cave painting.

SHELTER BUILDING: Bring your own animal hide (**1 small tarp per tribe**) and build a shelter to protect your tribe from the cold. Judged on creativity and effectiveness.

TRIBAL WARS: Compete against the other tribes to gain dominance over the land.

CAMP RULES

1. This is a District Boy Scout event only. Cub Scouts and siblings will not be permitted at the event.
2. **NO alcoholic beverages.**
3. No smoking! Please refer to the Guide for Safe Scouting. If you must smoke, please move to the parking lot out of view of others, especially youth.
4. NO fireworks, firearms, bow and arrow, etc.
5. NO pressurized fuel equipment (lanterns, stoves, heaters, etc.) **unless** you have taken the Greater St. Louis Area Council Training and have received your **Toasted Chit and have it with you**. Charcoal or wood is recommended for all cooking.
6. NO flames of any kind inside or near a tent.
7. NO heaters of any kind inside or near a tent.
8. Kerosene lanterns may be used to illuminate the campsite. However, battery operated lanterns are much safer and shed much more light.
9. Water sources are for filling water containers and drinking only, not for bathing or for washing the dishes. Please ask your scouts not to play with the faucets. This creates a muddy mess in a very short time.
10. NO live trees may be cut. Please follow the **Outdoor Code**.
11. NO digging around any tents. Use proper pitching to avoid ditching.
12. While sheath knives are not prohibited by the BSA Guide to Safe Scouting, the River Trails District Committee has voted to not allow possession, wear, or use of sheath knives by any youth or adult at district activities. There may be further restrictions by state or local ordinances or Council policy. A Totin' Chip is required by a Scout to carry a folding pocketknife. These tools must be used safely and properly at all times."
