There are only 48 spots available. With over 4,500 adult leaders in Seneca Waterways Council, this is your chance to be part of the 1%.

There is no minimum tenure required for Wood Badge. Is designed for Cub Scout, Boy Scout, Varsity, and Venturing leaders, as well as District and Council volunteers and Professionals.

In addition to having more fun than you might imagine, you will learn about:

- Team Development
- How to provide what your Team needs
- Leadership Styles – and how to choose the right one
- Effective Communication
- Conflict Resolution

The leadership skills you'll learn will be used in Scouting, and you'll find them applicable in your personal and professional life, and other volunteer efforts. These skills will be with you for life.

If there are youth in your unit that have taken National Youth Leadership Training (NYLT), you will want to take Wood Badge so you are able to “speak the same language” and be more effective in mentoring their leadership development.
