

DIRECTIONS TO HEART BUTTE BOY SCOUT RESERVATION

On Interstate 94, take the first Glen Ullin exit (102 from the West, 110 from the East). Turn South and go approximately 6 miles to where ND 49 turns South (on the west edge of Glen Ullin). Go South for approximately 18 miles on ND 49 until you get to the Heart Butte dam (mile marker 50 1/2). Cross the dam, then take the second approach to the right. Immediately turn to the left and take the road that parallels ND 49 through the gate. Follow this winding road approximately 1.5 miles past the public campsites until you come to a gateway with two brick pillars. You have just arrived at Heart Butte Boy Scout Reservation. Follow the road through the gate and down the hill to the lodge. **Enjoy your stay.**
