NYLT Overview

National Youth Leadership Training is an exciting, action-packed program designed for councils to provide youth members with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others.

The NYLT course is a six day experience that centers around the concepts of what a leader must BE, what they must KNOW, and what they must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT Requirements

In order to attend a NYLT course, a youth must have the following qualifications by the beginning of the course:

- Must be a registered member of a Scouting unit.
- Must have a current BSA Health and Medical Record form parts A, B, and C good through the end of June.
- Boy Scouts must be 13 years of age and fall within the maximum age allowance for their program registration. They must be a First Class Scout and have completed Introduction to Leadership Skills for Troops.
- If a scout has not completed ILST there will be an opportunity in the Spring to complete this course. Watch the calendar for the registration to open.
- As of **March 1, 2019**, Scouts BSA members (male and female) must be at least 13. They must have completed Introduction to Leadership Skills for Troops. For 2019 only, an exception will be granted for girls registered in Scouts BSA to attend NYLT without first achieving the First Class rank. Boys registered in Scouts BSA will still be required to earn the First Class rank before attending NYLT.
- Venturers and Sea Scouts (male and female) must be at least 14, or 13 and have completed eighth grade, and fall within the maximum age allowance for their program. They must have completed Introduction to Leadership Skills for Crews or Ships. It is recommended that they have had at least one year of camping experience. While NYLT is not an outdoor skills course, it is important that each participant have basic camping and outdoor cooking experience.
- Have a unit leader recommendation (A request for this will be sent after the initial registration is made.)
