We are extremely excited to invite you again to this exceptional opportunity to enjoy the fun and excitement that The Grove has to offer. These 123 acres of ecologically diverse Prairie Grove is preserved by the Glenview Park district.

This property has been granted National Historic Landmark status.

We will have four activity areas that will allow the Cub Scouts an opportunity to discover the interpretive center, explore the many nature trails, create a great nature craft to take home and have some fun enjoying an engaging outdoor game.

This event will be held regardless of the weather. We will alternate program areas so that no group will be outside longer than 20 minutes at a time, and in the event of really cold weather we will add another program area and we will only need to go outside to change areas. We will also have hot chocolate, a snack, and a patch for each of our registered participants. Fee \$7.50 for Scouts and Siblings (Kids in a stroller under 3 are free)
