

Date	Lions/Kindergarten	Tigers/1 st Grade	Wolves/2 nd Grade	Bears/3 rd Grade	Webelos/4 th /5 th Grade	Arrow of Light
May 14th	Lions Honor	Good Knight	Howling at the Moon	Paws for Action	Into the Woods	Earth Rocks!
Objective	Learn fundamentals of being a Scout! Cub Scout Sign, Motto, and Salute	This adventure uses the history and stories of Knights to teach youth how to be brave and courteous through fun activities.	Teach Wolves how to communicate through an obstacle course and an opportunity to write their own skit!	Learn about your community while participating in activities such as finger printing!	Learn about the outside world, forests and plants.	Learning about the science of geology Identifying and testing rocks and minerals Becoming aware of geological materials and landmarks Performing geological investigations while upholding the values of Leave No Trace
May 21st	Ready, Set, Grow	Backyard Jungle	Germs Alive	Critter Care	Art Explosion	Build Your Hero
Objective	Demonstrating basic gardening skills and understanding different types of gardens. Exploring where some food comes from	Tigers will learn that there are many types of living things that people coexist with. All animals, plants, and insects have a purpose in our environment. It is everyone's duty to be mindful of other creatures' habitats.	Teaching Wolves in a fun way on how to Properly Wash Hands and What Germs "Look" Like.	Learn how to care for pets and how pets help people in assistance	Create fun, new art projects at home!	Through this adventure, Webelos Scouts will discover what being a "hero" means to them as well as the community they live in. Boys will meet local heroes and learn about everyday heroism around the world. Each Scout will also imagine his own superhero and create a story of how that hero helps others.
May 28th	Fun on the Run	Curiosity, Intrigue and Magical Mysteries	Call of the Wild	Beat of the Drum	Build It	Build It (Same as WEBELOs)
Objective	Have fun learning to exercise and eat healthy to keep our bodies strong!	This adventure helps Tigers explore how things work. Tigers and their adult partners will learn about cracking codes and solving mysteries, as well as discover how science helps us solve problems.	Introduce camping skills and promote preparedness for challenges outdoors.	Learn about Native American customs including how to make certain cultural crafts.	Learn how to build new objects and be creative!	

June 4th	Mountain Lion Adventure	Family Stories	Grow Something	Robotics	Fix It	Sportsman
Objective	Learn about the natural environment around us and how to respect mother earth!	This adventure will help Tigers learn about their families and their heritage	Learn about plants and how to garden.	How different types of robots are used then create your own simple robotic figures	Learn how to fix bicycles and cars at home.	Sports are all about honesty, respect, fair play, and being physically fit. Playing a sport will build a Webelos Scout's body and improve their skills—and learning to play more than one sport will help develop a lifelong habit of physical activity.
June 11th	Animal Kingdom	Floats and Boats	Council Fire	Bear Picnic Basket	Scientist	Looking Back, Looking Forward
Objective	Learn how to understand and respect community resources. Develop a sense of community awareness and responsibility Participate in an activity demonstrating service to others	This adventure will teach Tigers about different types of boats, how to build a boat using recycled materials, and how to stay safe on the water.	Build citizenship by learning more about the community and doing service.	Learn basic skills and safety practices when cooking inside or outside. Select, prepare and perfect their own recipes.	Learn about different science experiments and try them out at home.	Seeing how actions of the past have influenced the present Understanding that they can help make productive changes in the future
