## What is Custaloga Town and what do you have to offer?

Custaloga Town Scout Reservation (CTSR) consists of more than 500 acres, located along French Creek near Carlton, Pennsylvania, serving thousands of youth since 1968. A fully trained and BSA accredited staff is eager and willing to help you and your unit make the best of your stay at CTSR. Scouts attending summer camp have many program areas to choose from, including: Rifle Shooting, Archery, Scout Skills, Nature, Aquatics, Climbing, and Zip-line. These, are just a few of the many activities specifically designed to keep Scouts busy during their week at camp, including first-year campers. CTSR has a rich history including George Washington's visit to Custaloga Town on his way to Fort LeBeouf, Chief Guyasutha, (which history states may be buried on camp grounds), and early settlers, whose families still reside in local communities. Additional information can be found at Custaloga Town's Heydrick House Museum, open during select times throughout the summer, or log onto the council website.

Custaloga Town is licensed to operate as a youth camp by the Commonwealth of Pennsylvania, the Pennsylvania Health Department, and the National Council of the Boy Scouts of America. An accredited camp, CTSR is inspected annually, meeting or exceeding strict quality standards which include, a long-range plan, staff qualifications/training, and health and safety requirements. Copies of the most recent Pennsylvania Health Department or National BSA inspections are available upon request by contacting the McGarvey Service Center.

While attending CTSR you will find a camping program designed to meet the needs of every Cub Scout, Scouts BSA, and Adult Scouter. During the Scouts BSA Summer Camp Program, the first-year camper (called Guyasutha's Braves) is offered. For the more experienced Scout, a program designed to learn new skills/challenges. Including boating, climbing and rappelling, and much more. Custaloga Town provides a shower facility, a fully equipped dining hall, a First Aid building staffed 24 hours a day by certified medical personnel, supervised boating and swimming, a field sports program with .22 rifles, archery, and shotgun ranges; a nature building, craft lodge, scout craft area, STEM, a climbing tower, (including the 900-foot zip line) the trading post, and much more.

The Cub Scout resident camp program offers age appropriate activities for Cub Scouts. In addition to the swimming, boating, scout skills, crafts, STEM, nature, and archery programs, BB gun shooting, and sling shots are available. The zip-line is only available to leaders. All activities are compliant with the BSA age appropriate guidelines.

Custaloga Town Scout Reservation provides each unit with a campsite, which contains two-man tents on wooden platforms with cots, bulletin board, flagpole, campfire area, washstand, and a latrine. Each camp site includes a pavilion with picnic tables, for eating, working on projects or just hanging out and having fun.

Additionally, CTSR offers a wide variety of camping opportunities to units during the off-season. These include camporees, Klondike Derby's, as well as weekend opportunities for individual units. More information is available on the council website including the ability to register on-line.

## My Scout really wants to attend, but I just can't afford it this year:

### **Camperships**

Langundowi Lodge administers camperships for the French Creek Council. Lodge members raise money through various activities, along with donations from dedicated family and friends of Scouting. Campership applications and a fact sheet are available to all units through the roundtable drop boxes, at the McGarvey Service Center, or on the French Creek Council website ([www.FrenchCreek-bsa.org](http://www.FrenchCreek-bsa.org)). There are separate applications for each camping program (Scout BSA Summer Camp, Cub Scout Resident Camp, and Cub Scout Day Camp). A Scout's participation in unit fundraising, a contribution by the unit, and parental support are all part of the campership consideration. There is information that must be completed by the unit leader and committee, the parents, and the Scout. **April 1<sup>st</sup>** is the application deadline for consideration. All camperships awarded will be credited to the camper's on-line registration prior to the May 15<sup>th</sup> payment deadline, appearing as a credit for the Scout. Camperships are not transferable or refundable and are limited to Scouts attending Custaloga Town.

## My Scout needs to leave camp for a while is that ok?

### **Leaving Camp**

Any Scout or Scouter who leaves camp at any time, for any reason, must sign out at the camp office, upon returning, they must also sign-in. NO SCOUT will be permitted to leave camp **without written permission of the unit leader and parent/guardian indicating times of departure, return, travel arrangements, and with who the Scout is to be traveling.** Persons leaving camp, and/or picking up Scouts, may be required to show their driver's license or other photo ID. This is to insure the protection of our Scouts and Scouters and knowing the attendance in the event of an emergency.

# Can I come and visit my Scout?

## Visiting Day for Parents

All visitations should be coordinated through the unit leader, and families must check in at camp office. Frequent visits are discouraged, as they tend to interfere with program and advancement. The staff is trained to deal with homesickness.

# What health forms do I need, and what about my Scout's medication?

## **Health Forms**

Every camper must submit a BSA Medical Form #680-001 (parts A, B, and C) available from the National BSA website or the French Creek Council website, no other medical forms will be accepted. The form requires EVERYONE to have a physical annually, all prescription medications listed, a hold harmless, a photo release, along with instructions on copying the front and back of your insurance card. Information on this form must be reviewed and complete, specifically check for parent/doctor signatures, immunization dates, insurance information, emergency contact names and phone numbers etc. The unit leader will turn in all completed forms to the CTSR medical staff during the medical check at summer camp and will be returned to the unit leader upon check-out. Any camper not bringing the completed and signed medical form will be UNABLE to participate in any activities at camp.

NO HEALTH FORMS ARE TO BE MAILED TO EITHER THE MCGARVEY SCOUT SERVICE CENTER OR TO CUSTALOGA TOWN SCOUT RESERVATION

## **Prescription Medication Form**

Used to assist the medical officer with logging and dispensing all prescription medication while the unit is in camp. Each parent should complete the form and the unit leader should turn it in during the medical check at camp. Leaders should ensure that the camper has all medications listed prior to the medical check. Completion of this form will keep the registration process efficient and not delay the Scouts start to an exciting camping experience.

## **Medication**

- **All prescription medications for campers must be turned in at the designated area upon check-in.**
- Medication must be in the original container, NO EXCEPTIONS.
- Medication must be labeled with the drug name, Scout's name, unit number/campsite, dosage, and time/amount to be administered.

- Campers will be allowed to carry Rescue inhalers and EpiPen's provided that the camper has left a duplicate in the Health Lodge.

This is the policy of CTSR and the French Creek Council, though this might be an inconvenience for some adults, the safety of everyone at camp is French Creek Council's first priority.
