Register by November 1, 2017 for a special patch!
The 2018 Camporee is designed with two goals in mind:

- Youth and adults of the Blue Ridge Council have a blast and enjoy a weekend of fun and fellowship at Camp Old Indian.
- Promote the Boy Scouts to families in the upstate.

We have activities, events, and competitions planned for all Scouting programs: Troops, Crews, Posts, STEMScout Labs, Webelos, Cub Packs and Lions!

Troops, Crews, Posts, and Packs are welcome to camp together as units or separately. Non-scout youth are invited to attend the Camporee as a weekend unit guest or as a day visitor with their family.

Scouts are outdoor cooking champs! To celebrate the outdoor chef, we have a Unit Cooking Competition and Unit Leader Chili Competition. However, if you are too busy to cook during the day, or you have visitors, we have weekend & individual meal plans available. Similarly, we will have the COI Trading Post setup for supplies, healthy snacks, and event merchandise.

There are three great campfire programs planned: Friday’s Scout Fire, Saturday’s Big Show, and Sunday’s Worship Service and Awards Presentation. Overnight guests are encouraged to attend all three shows and Saturday’s Big Show is designed for visitors as well! Bring your unit flags to the Big Show!

Great exhibits are planned and include the Scouting Heritage Center, Merit Badge Midway and the COI ATV Program! In addition, we have lots of activities & unit competitions: COI Open House, Discover Outdoors Tour, Archery, BB/Rifle/Shotgun/Pistol Shoot, Rocket Launch, Cub Climb, Pinewood Derby, Rain Gutter Regatta, Human Foosball, Ultimate Frisbee, Tank Maneuvers Course, Tarantula Race, Human Battleship and the Scout Leader vs Units Ballista Challenge!

Visitors are welcome to participate in the events above as well as the onsite health screening service, community blood drive, food drive and cross-country run!

The Leader’s Guide will be provided to all registered units. It details the schedule, event maps, and competition rules. Friday night of the event, after the Scout Fire, we will have an adult & senior youth leader meeting at the fireplace in the Dining Hall. This meeting will update last minute changes and additions to the Camporee.

Fees are $20/scout if registered on time. Register by November 1, 2017 with just a $5/scout deposit and receive a limited-edition pre-registration only patch in addition to the regular event patch. Camperships are available that reduce the fee to $10/scout for those in need.

Registration details are in this packet. If you have any registration questions, please contact Traci Bridwell at 864-233-8363 or Traci.Bridwell@scouting.org.

GENERAL INFORMATION

WHEN: Friday, April 13 - Sunday, April 15
WHERE: Camp Old Indian, Travelers Rest SC

CAMPSITES: Adirondack, Tent & Cabin camping are available. Districts may reserve and camp units together and are given priority over single unit registration. Selection is first come, first served via registration. When you register, you will get a site selection number based on when your unit registered and how many folks you have attending the Camporee. No vehicles are allowed in camp, however there will be assistance to get unit items to higher campsites. There is a designated Cub & Family camping area but Troops are encouraged to invite feeder Packs to join them in their campsite. Explorers and Venturing will observe co-ed unit camping regulations as outlined in the Guide for Safe Scouting. Remember the Scout Law and Outdoor Code, help the staff leave the camp property and facilities better than you found them - Leave No Trace.

PARKING & FIRST AID: Participants will be asked to park all vehicles in designated parking areas. Vehicles parked at Camp Old Indian will be limited to one vehicle/unit. Additional unit vehicles will be parked at Camp White Pines, Camp Carroll Brown and the upper field parking lot. Shuttle service between the parking sites and COI will run regularly. You may bring a unit trailer to COI and assistance will be provided in getting the trailer to your site. First aid will be available at the First Aid Lodge & Mobile Medical Stations. Each unit should also make their own first aid provisions. Local EMS, fire, and law enforcement will be alerted to our event for emergencies. Leaders should collect all medications and dispense at the proper times.

UTILITIES: Water & flush toilets will be available in each campsite. All Scouts should carry a canteen or water bottle with them during the event. Bring your own trash bags and leave the campsite clean.

COOKING: Cook with gas, liquid fuel, grills or cook fires. Follow the Outdoor Code and Guide to Safe Scouting– use fire buckets and do not allow flames in tents! Only use pre-built fire pits.

MEALS: There is an optional meal plan available for the weekend for units that do not wish to cook their own meals. Individual meal vouchers are available for visitors.

UNIFORMS: Full uniforms are appropriate for ceremonies, shows, and worship service. Scout shorts and a scouting tee shirt are fine for other events. This is a Scouting function, please make sure your Scouts are dressed appropriately.

TRADING POST: The trading post will offer food items and is the location to purchase onsite meal plans and vouchers. In addition, we will have healthy snacks, t-shirts and scouting memorabilia. Ice is available at a reasonable price for your convenience.

SCOUTING HERITAGE CENTER & EXHIBIT AREAS: Don’t forget to visit the exhibit areas in and around the Activity Building. Patches, vintage uniforms, Scouting artifacts and vendors will have displays.
