FOCUS: This hands-on program gives adult leaders a practical introduction to the patrol method of a Scout-led troop by teaching many of the practical outdoor skills they need to lead Scouts in the out-of-doors. The skills sessions presented in this course closely follow the Boy Scout Handbook and

are meant to serve as an adult training outline. By using these skills sessions in conjunction with the Boy Scout Handbook, trainers can be sure new leaders are proficient in many of the basic outdoor skills through First Class rank, and gain exposure to the patrol method and numerous teaching methods. Each skills session references specific chapters in the Boy Scout handbook and highlights advancement requirements.
