

Geology merit badge prerequisites and things to bring to PI day.

1- Requirement 4b Find out about three career opportunities available in geology. Pick one and find out the education, training, and experience required for the profession. Discuss this with your counselor, and explain why this profession might interest you.

2- Bring a web site link, picture or brochure of a destination that has interesting geology that you will be visiting, have visited or want to visit with your troop or family. Many places have interesting geology from National Parks to Devils Lake state park to Camp Rokilio.

3-Optional- bring a phone, laptop or pad to connect to WIFI. If you don't have one available, don't worry, we will share and we will only be using it for a short time.

4- Optional- bring a clear glass or plastic jar/lid with about 1/2 cup your local soil in it. Try to remove rocks, sticks and roots.- just soil. I know the ground is frozen, try your best.
